

April News!!!

Like a little flower
I'm growing every day,
Strengthened by the breeze.
While in the sun I play.
My family gives me roots;
You care for me with love.
I help make others happy;
I'm a blessing from above.

Easter Party

We hope all the children enjoyed the Easter egg hunt and party. Thank you to all the families that helped us celebrate. We hope everyone had a lovely Easter Sunday as well.

Picture Day

Picture day is on April 24th and 25th. We will be doing individual as

well as class pictures. Class pictures will be taken on the 25th

Summer Calendar

The summer calendar is almost complete. We have some wonderful activities planned for our children. Keep an eye out in April for all the details.

Hand Washing

Please remember how important it is to wash hands before and after school! This is a tool that helps us prevent the spread of germs. Thank you for your cooperation.

Late Pick Up Policy

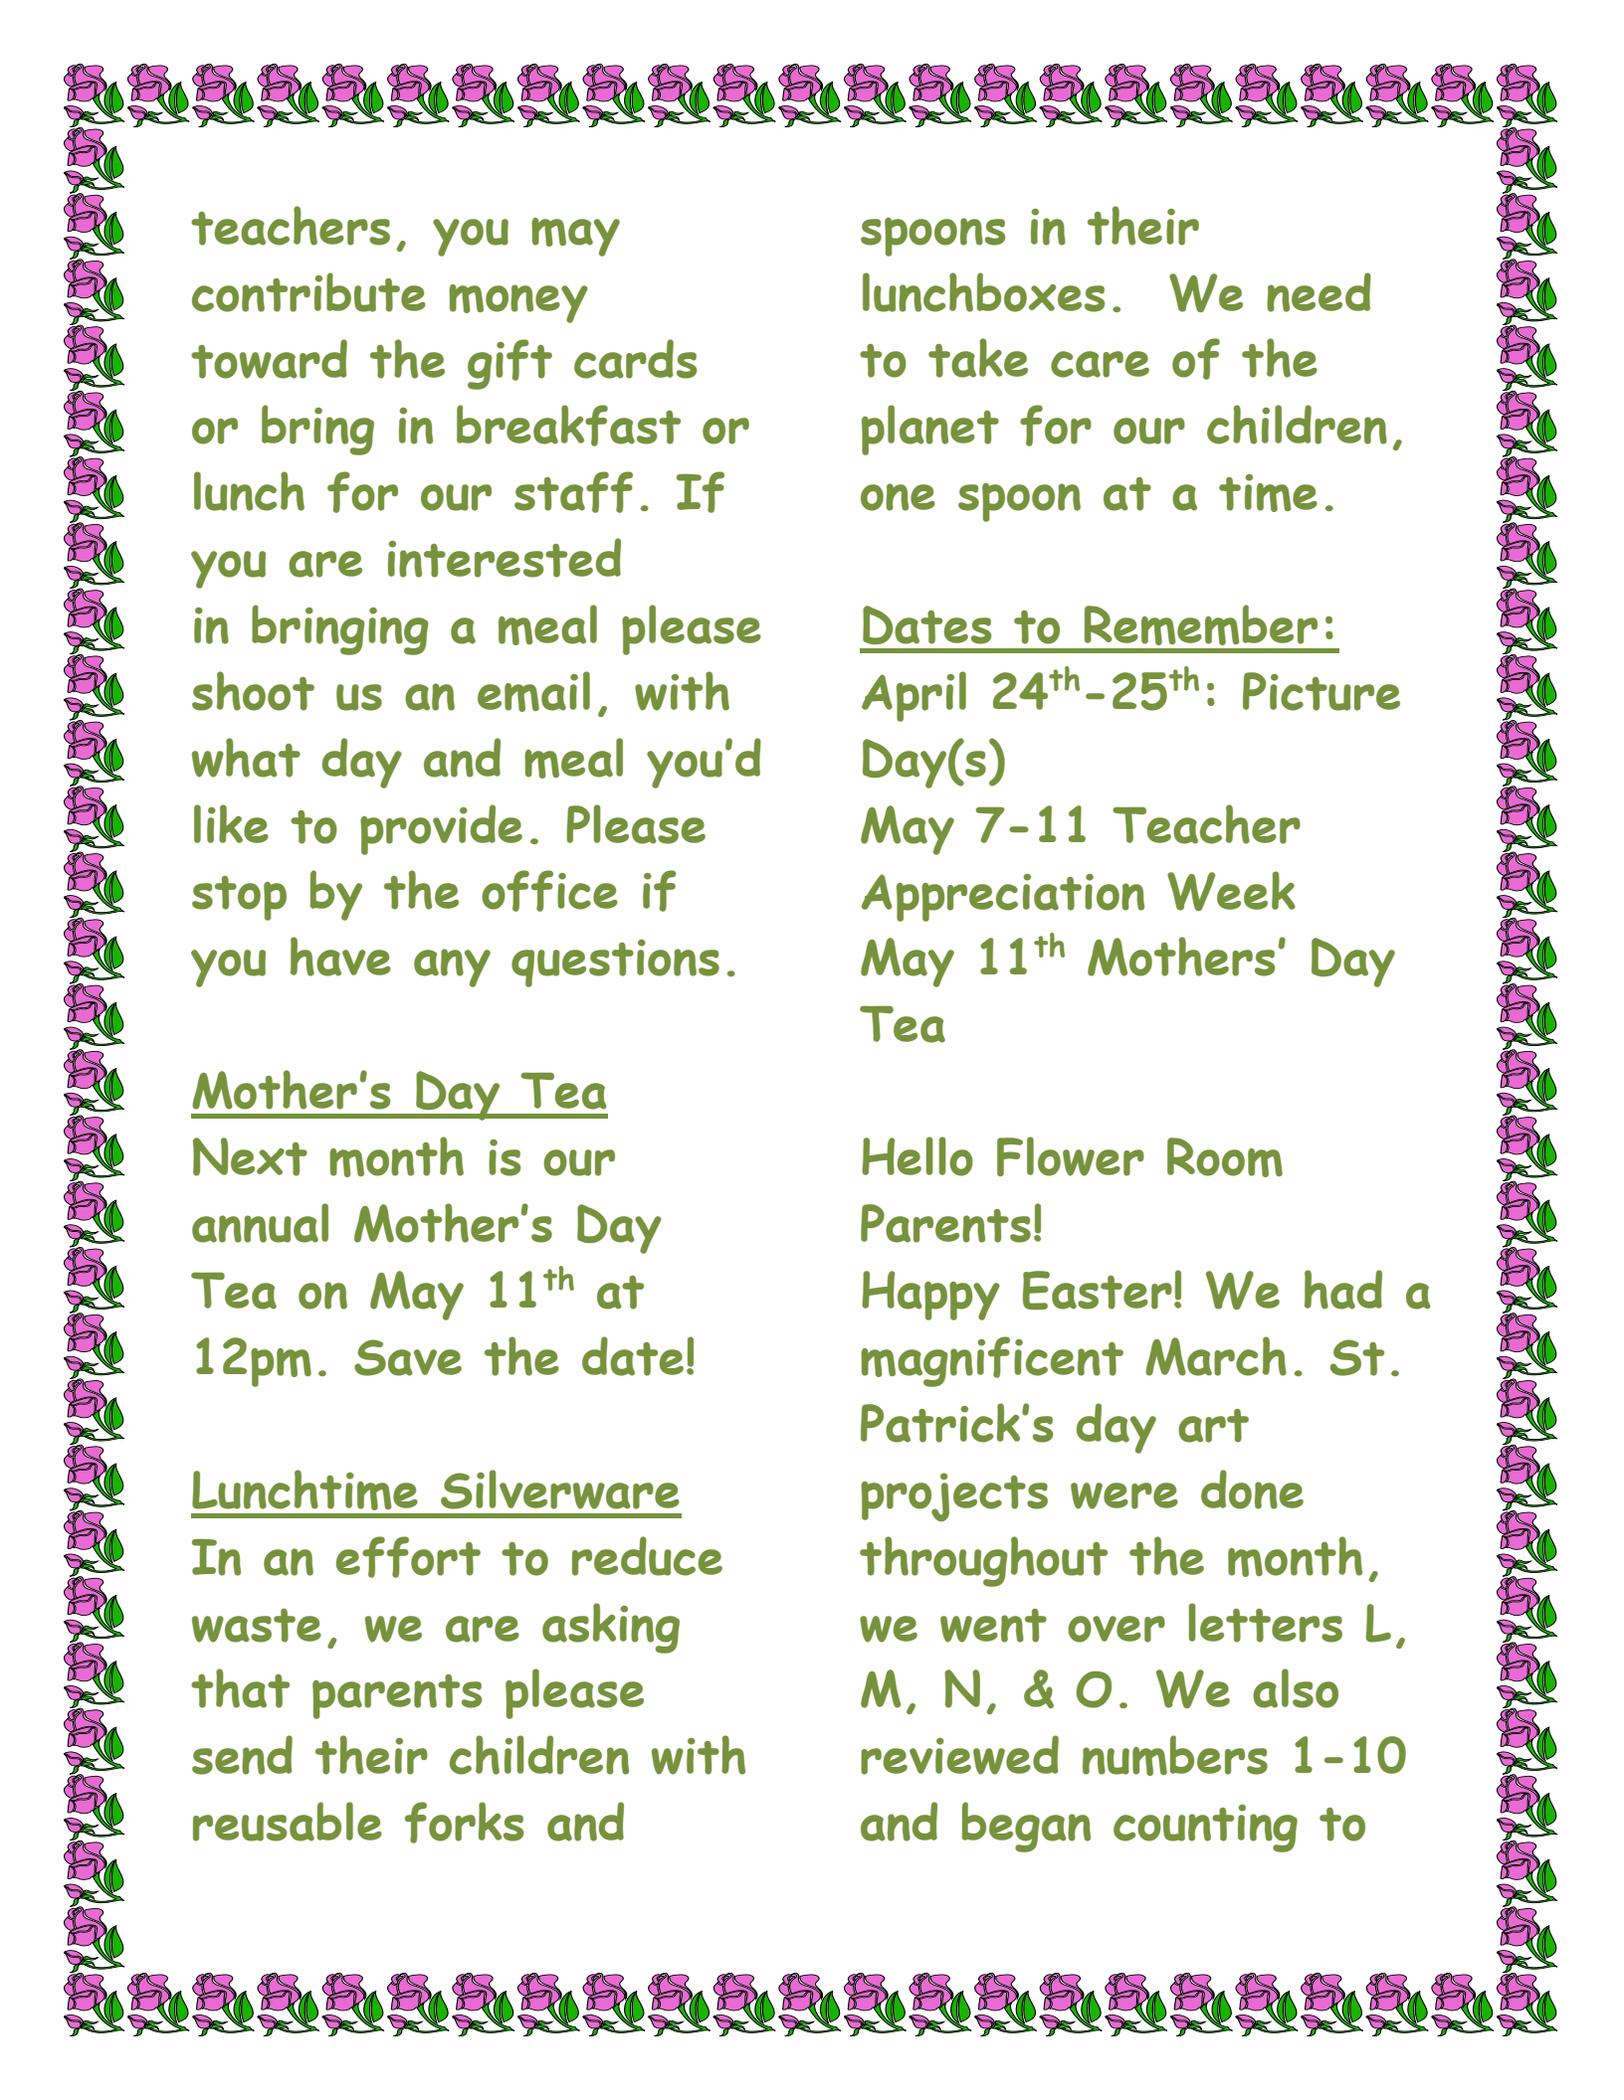

This is a gentle reminder that anyone late in picking up his or her child will be charged an initial late fee of \$15. \$15 will be charged for each 15 minute increments. This includes all late pickups, whether it be 12pm, 1pm, 3pm, or 6pm. Thank you.

Sun Screen

We've attached a sun screen form. Please fill out and return to your teacher. Thank you.

Teacher Appreciation Week

Teacher Appreciation Week is to show the teachers how much their hard work is appreciated and let them know that they are very important to us. This year it falls on May 7th-11th. We will be serving the teachers a special breakfast and lunch each day. Also we would love to give each teacher a gift card as well. If you would like to help us show how much we value our

teachers, you may contribute money toward the gift cards or bring in breakfast or lunch for our staff. If you are interested in bringing a meal please shoot us an email, with what day and meal you'd like to provide. Please stop by the office if you have any questions.

Mother's Day Tea

Next month is our annual Mother's Day Tea on May 11th at 12pm. Save the date!

Lunchtime Silverware

In an effort to reduce waste, we are asking that parents please send their children with reusable forks and

spoons in their lunchboxes. We need to take care of the planet for our children, one spoon at a time.

Dates to Remember:

April 24th-25th: Picture Day(s)

May 7-11 Teacher Appreciation Week

May 11th Mothers' Day Tea

Hello Flower Room Parents!

Happy Easter! We had a magnificent March. St.

Patrick's day art

projects were done

throughout the month,

we went over letters L,

M, N, & O. We also

reviewed numbers 1-10

and began counting to

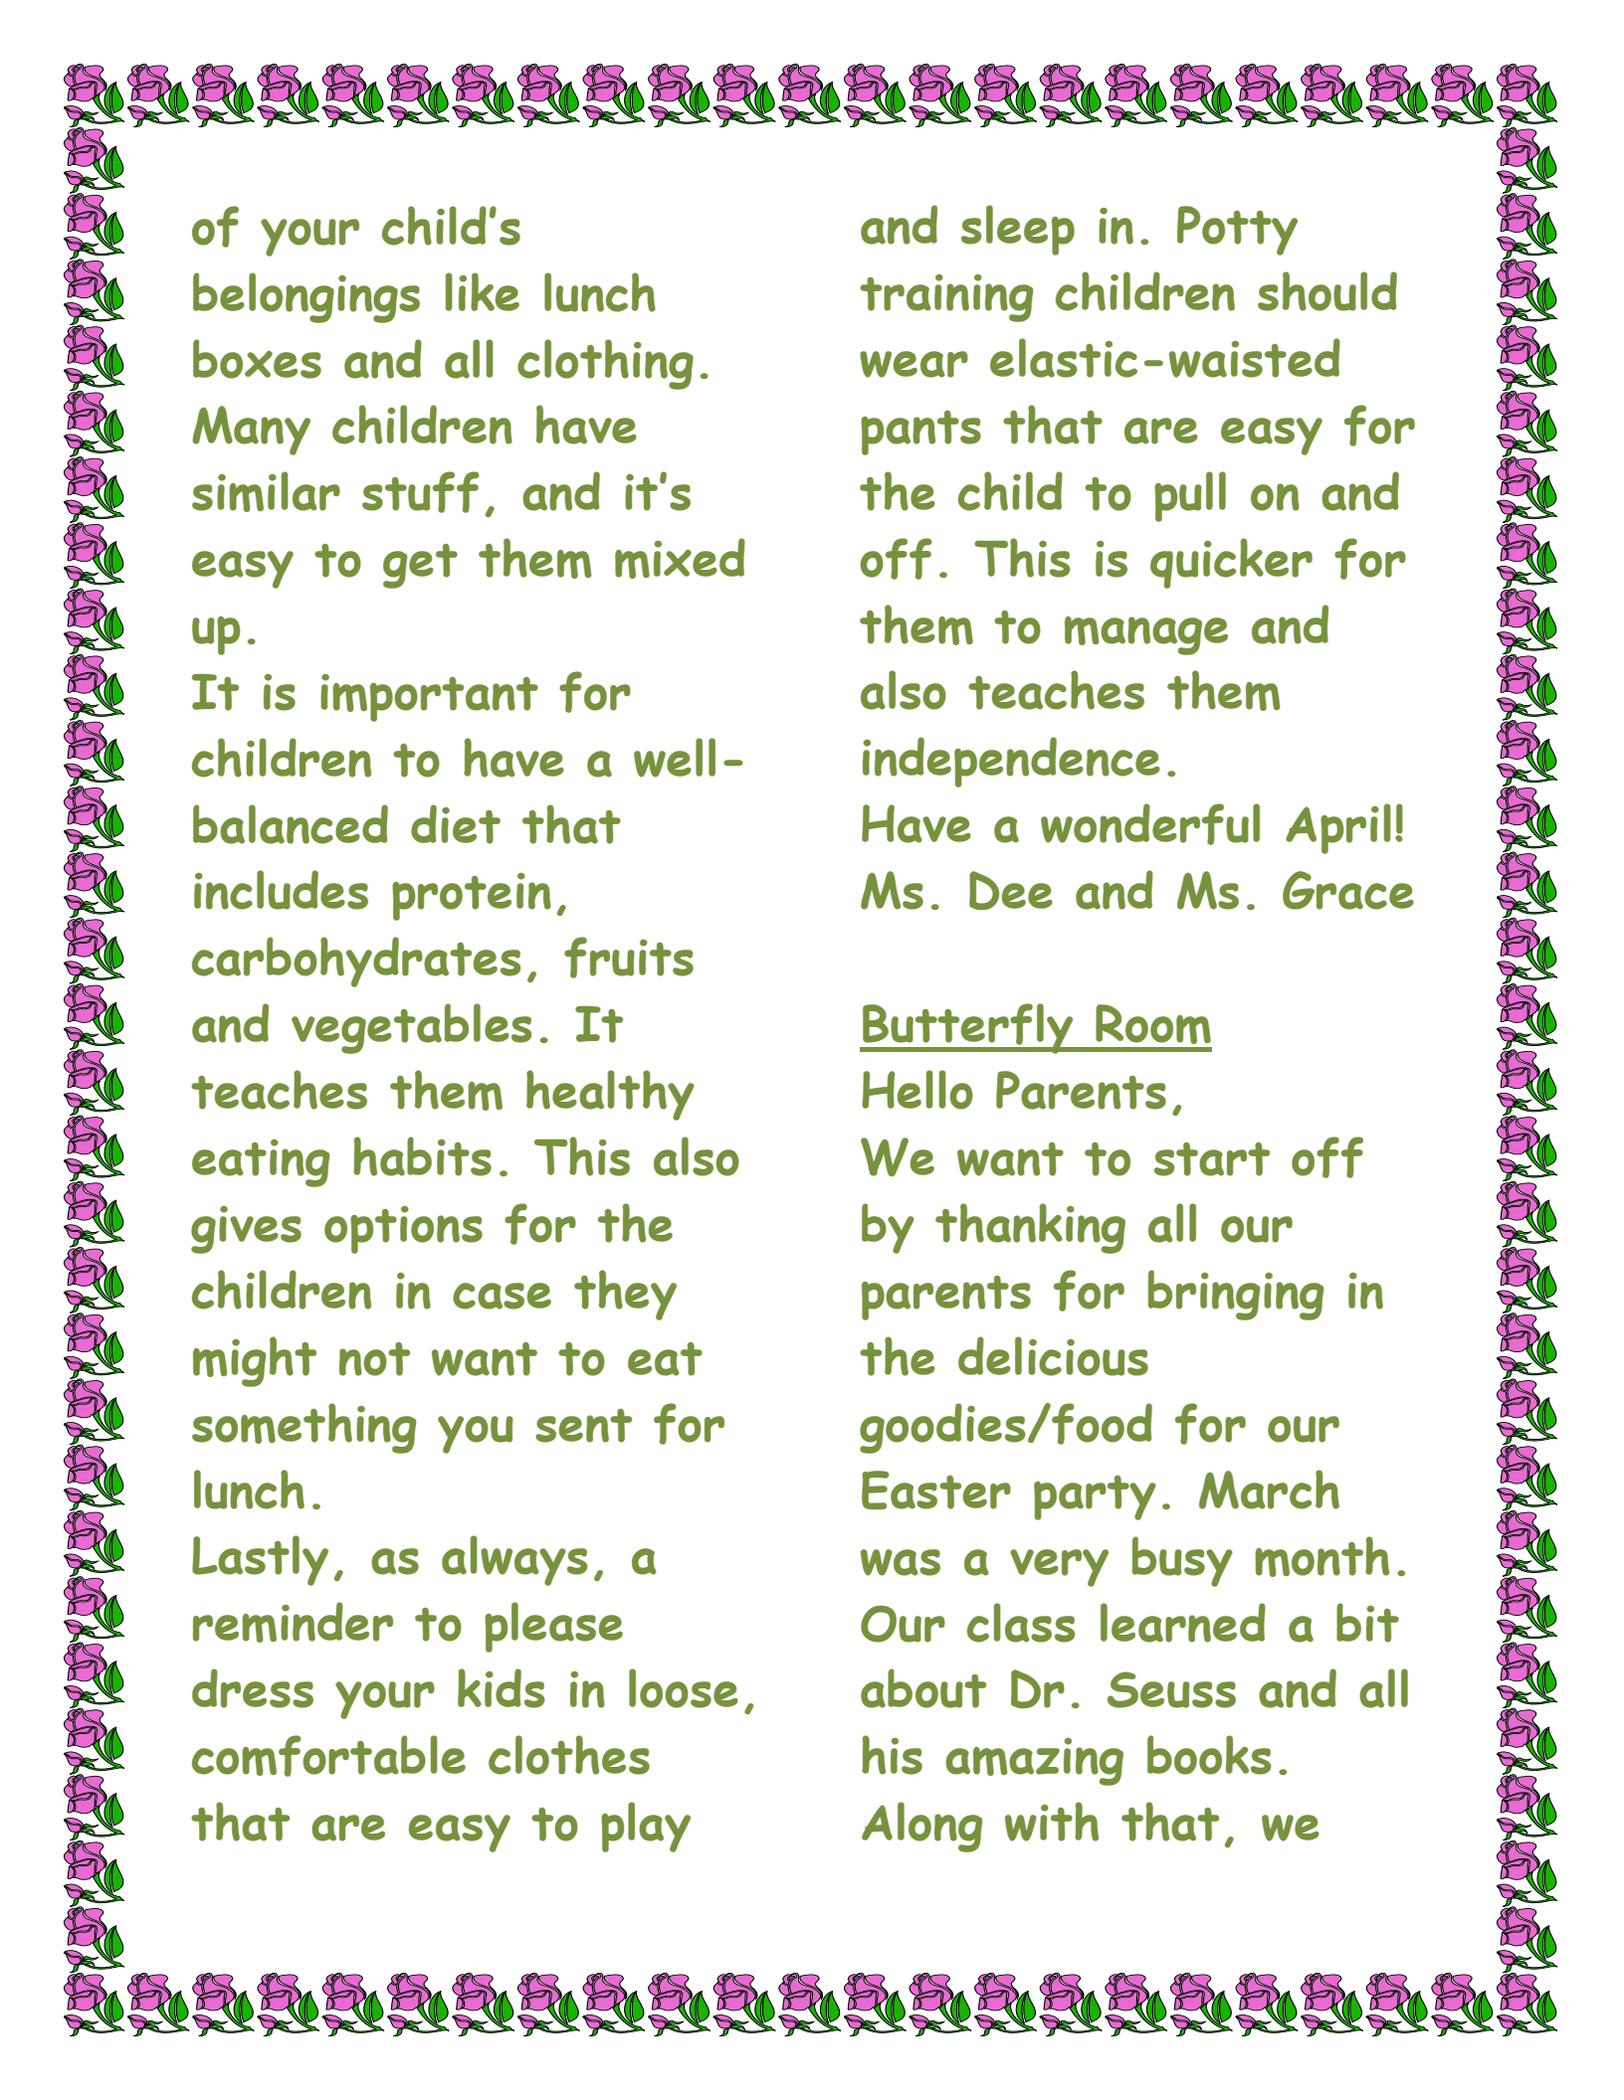

20. We have been practicing songs for graduation and going over shapes and colors daily. In April we will continue with letters P, Q, R, S, T, & V. We will review numbers with various sorting and counting games, practice our graduation song, and continue playing fun, interactive learning games during circle time. We will be doing a module on bugs and insects to get us ready for spring, along with "April showers bring May flowers". We will be doing hands on activities with toy bugs, real flowers, and planting seeds. We look

forward to an awesome April!

Ms. Lyn & Ms. Natalie

Rainbow Newsletter

Thank you to all the families who contributed to the Easter potluck. The children had so much fun at the Easter egg hunt! They had been waiting for the Easter bunny for weeks! In April we continue learning our letters and reviewing them. Arts and Crafts will be based on the 'spring' theme of flowers and butterflies. We will read books related to the theme. Please keep your child's cubby well-stocked with spare clothes, including shoes. Please label all

of your child's belongings like lunch boxes and all clothing. Many children have similar stuff, and it's easy to get them mixed up.

It is important for children to have a well-balanced diet that includes protein, carbohydrates, fruits and vegetables. It teaches them healthy eating habits. This also gives options for the children in case they might not want to eat something you sent for lunch.

Lastly, as always, a reminder to please dress your kids in loose, comfortable clothes that are easy to play

and sleep in. Potty training children should wear elastic-waisted pants that are easy for the child to pull on and off. This is quicker for them to manage and also teaches them independence.

Have a wonderful April!
Ms. Dee and Ms. Grace

Butterfly Room

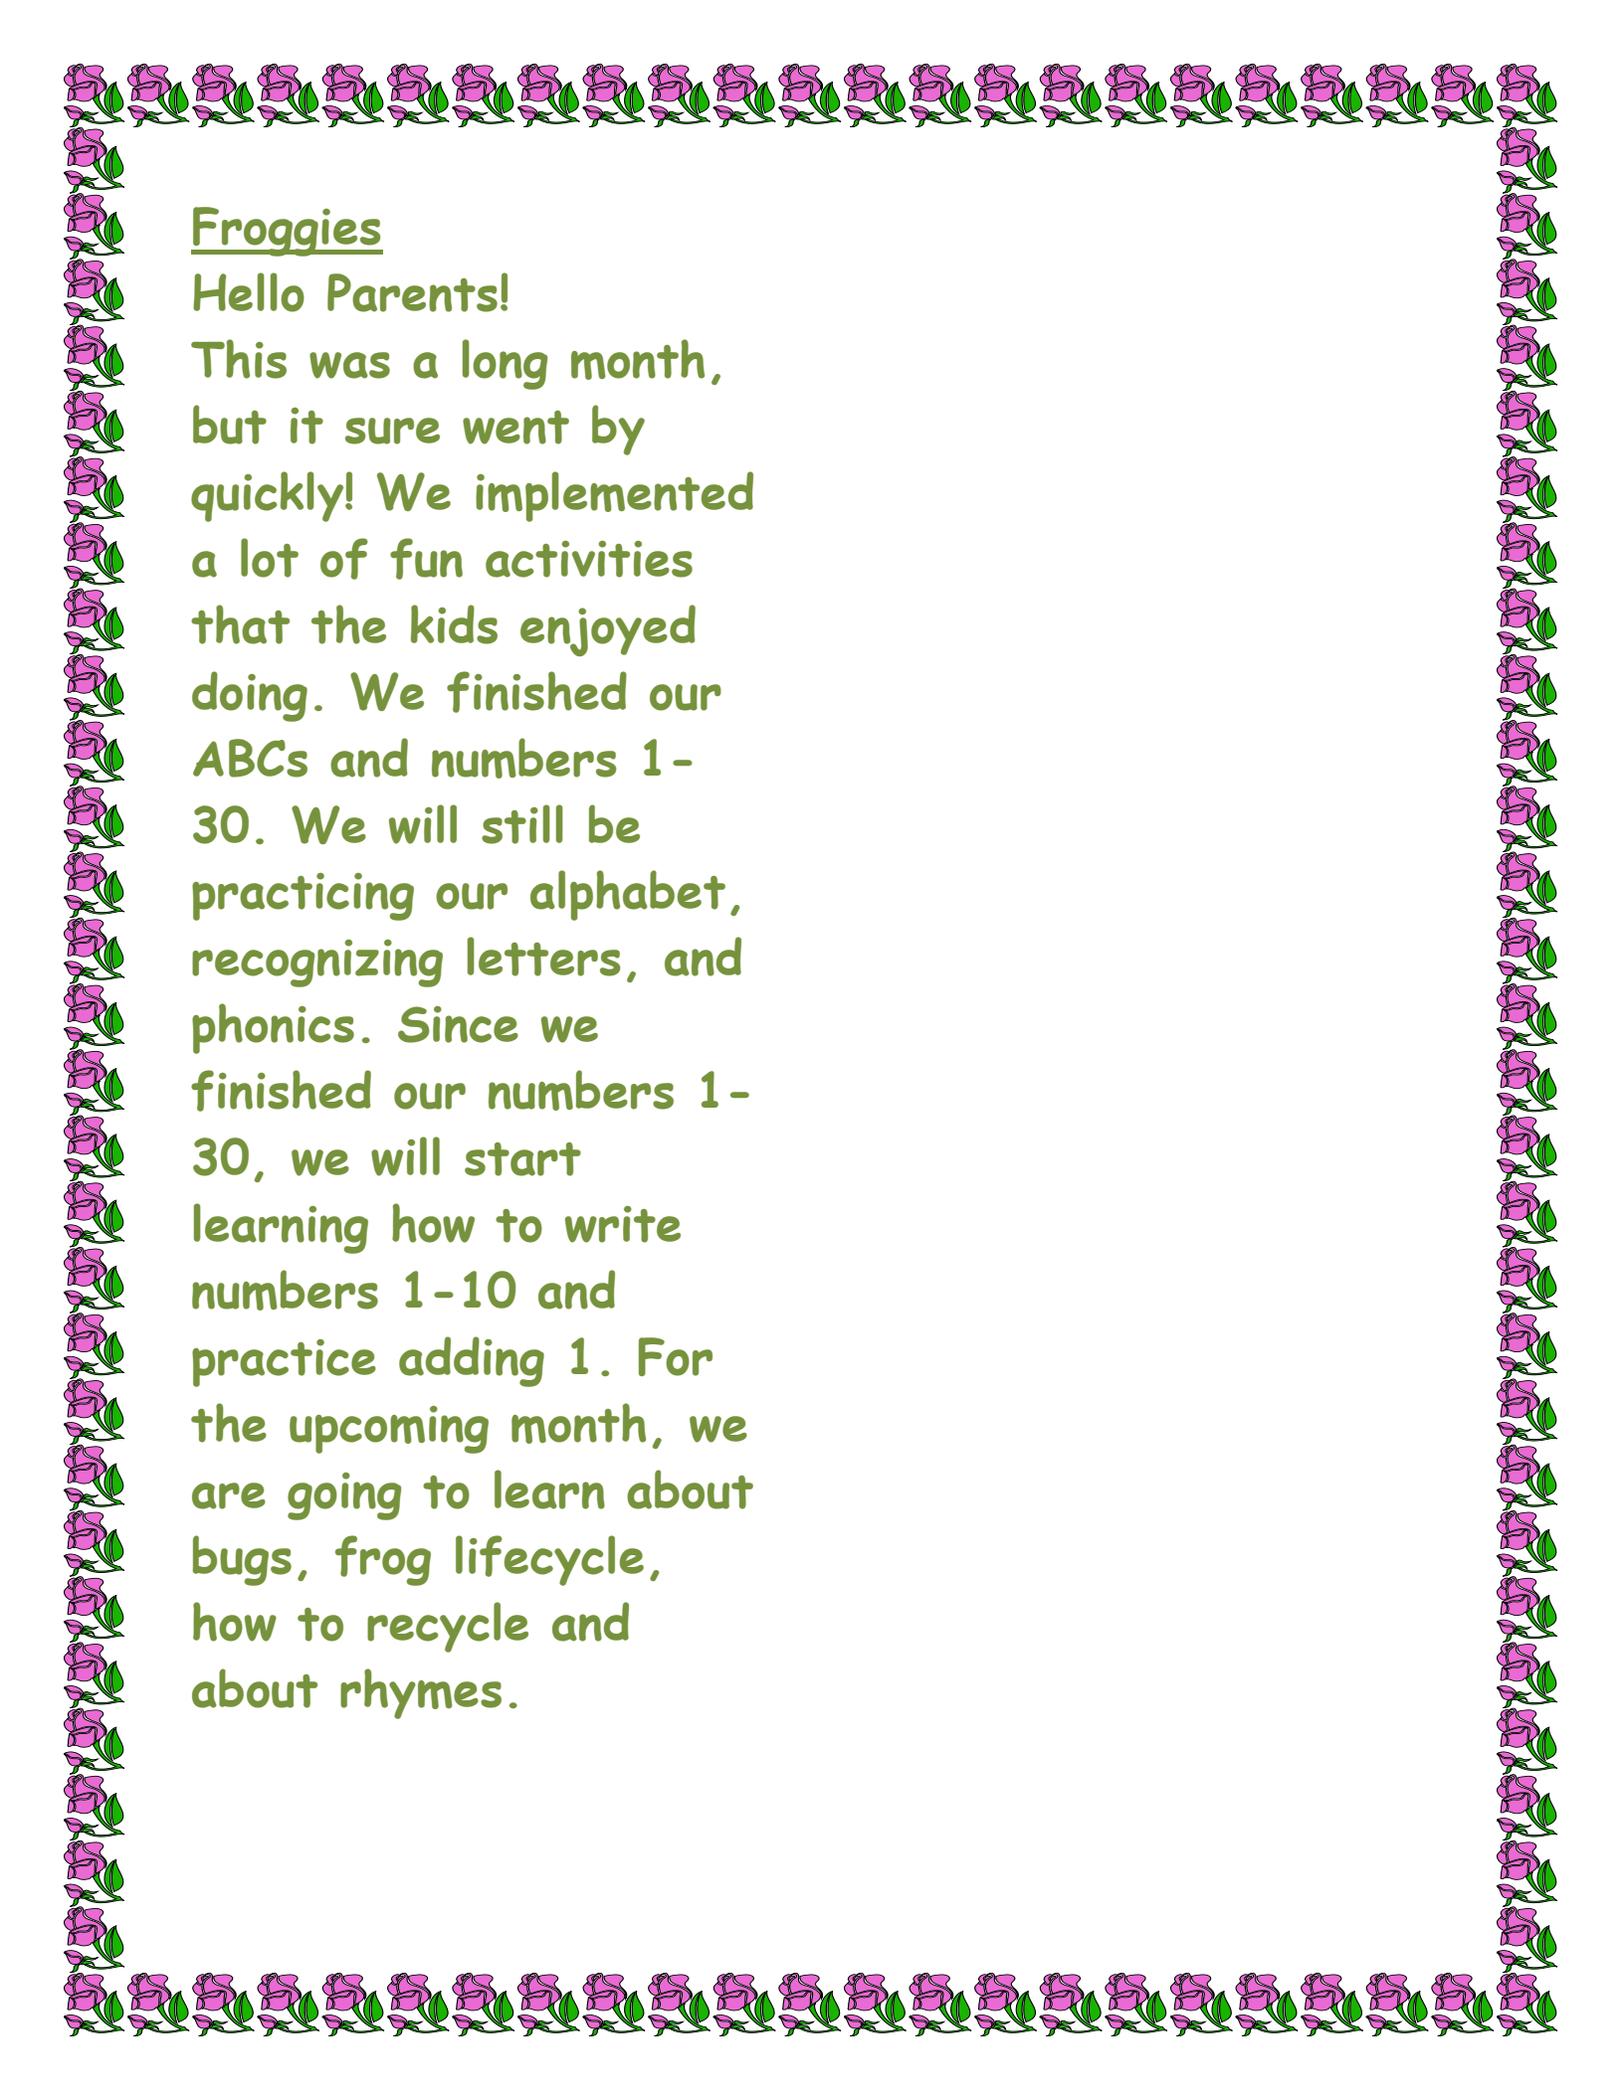

Hello Parents,
We want to start off by thanking all our parents for bringing in the delicious goodies/food for our Easter party. March was a very busy month. Our class learned a bit about Dr. Seuss and all his amazing books. Along with that, we

learned about what makes two words rhyme. We started gardening and will continue it throughout April. We practiced letters I, J, K and will practice L, M, N this month. We are very excited to start learning about Earth Day and what we can do to help our planet. This month we will also be watching caterpillars turn into butterflies! This will be another very busy but fun month. Enjoy our lovely spring weather and remember to wash your child's hands before and after drop-off/pick-up. Ms. Lupe and Ms. Sasmita

Jellyfish Room

March was such a fun month for the Jellyfish Room! We learned all about Dr. Seuss books. We made green eggs and ham and decorated our door with Cat in the Hat hats. We also talked about St Patrick's Day and Easter. We had so much fun at our Egg Hunt and party. Thank you to the parents who brought in food and were able to join our party. April brings new adventures. We will be learning about Spring and reading Eric Carle books. We are especially excited for another trip to the park.

Froggies

Hello Parents!

This was a long month, but it sure went by quickly! We implemented a lot of fun activities that the kids enjoyed doing. We finished our ABCs and numbers 1-30. We will still be practicing our alphabet, recognizing letters, and phonics. Since we finished our numbers 1-30, we will start learning how to write numbers 1-10 and practice adding 1. For the upcoming month, we are going to learn about bugs, frog lifecycle, how to recycle and about rhymes.
