Good Samaritan News

Happy New Year

Happy New Year and welcome back to all our families. We hope that everyone had a wonderful holiday and a restful one. We look forward to getting back to our regular school routine and starting the New Year off with a bang.

Christmas Program

Thank you to all the families that came to our annual Christmas Program. We are so proud of our children. They did such a wonderful job. It was very nice to spend time with all of you.

Big Thanks

All of us here at Good Samaritan Preschool would like to extend a big thank

you to our parents who participated in the Giving Tree. We are so grateful that we have such wonderful and giving families. We will be ordering the gifts this month.

New Tuition Rates

Just a friendly reminder that our tuition rates have gone up. That is why you see the change in your bill. If you have any questions please feel free to stop by the office.

Parent Teacher Conferences

In February we will be having parent teacher conferences for all the upstairs classrooms. This will give you a chance to meet with your child's teacher and go over how he/she is doing and if there are any areas of concerns. There will be a signup sheet for conference times in your

child's classroom. We will send you a reminder as your slot gets closer.

Flower Room

Hello Parents and welcome back. We hope you had a wonderful holiday break. Thank you to all the families that came to the Christmas program and brought a dish to share. The children were so proud to show off all the hard work at the performance.

Please welcome Ms. Lyn to our class. We are very excited to have her. This month we will be reviewing our numbers and letters that we worked on. The class will be involved in many activities that include numbers, shapes, and colors. We are eager to get started and back into our class routines.

Happy New Year everyone and welcome to 2018
Ms. Natalie and Ms. Lyn

Rainbow News

Hello Rainbow families. Thank you to all the families who came to our Christmas program! It was such a wonderful time, and the children did an amazing job. We also hope everyone had a wonderful New year, and we are so glad to welcome everyone back.

In the month of January, we will be reviewing our letters and numbers. We will be celebrating winter and all the wonderful weather it brings. We are so excited for the new year!!!

Ms. Dee and Ms. Grace

Butterfly News

Hello everyone and Happy New Year! We hope that you had a wonderful holiday. We are so happy to be back and so excited to start a new year of learning and have so much fun with each other. The Christmas season brought so many fun and

wonderful activities. Our children enjoyed making gift for their parents.

This month our class will be learning letter I, J, and K. We will also talk about the season and learn different cultures. The Butterflies will be asking parents to come share their own culture with the class. This would be a great opportunity for our children. This will introduce them to different cultures and traditions. We also want to welcome Ms. Lupe to our class room. As most of you know MS. Ploy will be moving to Las Vegas. We will miss her very much and wish her all the best.

Ms. Sasmita and Ms. Ploy

Jelly News

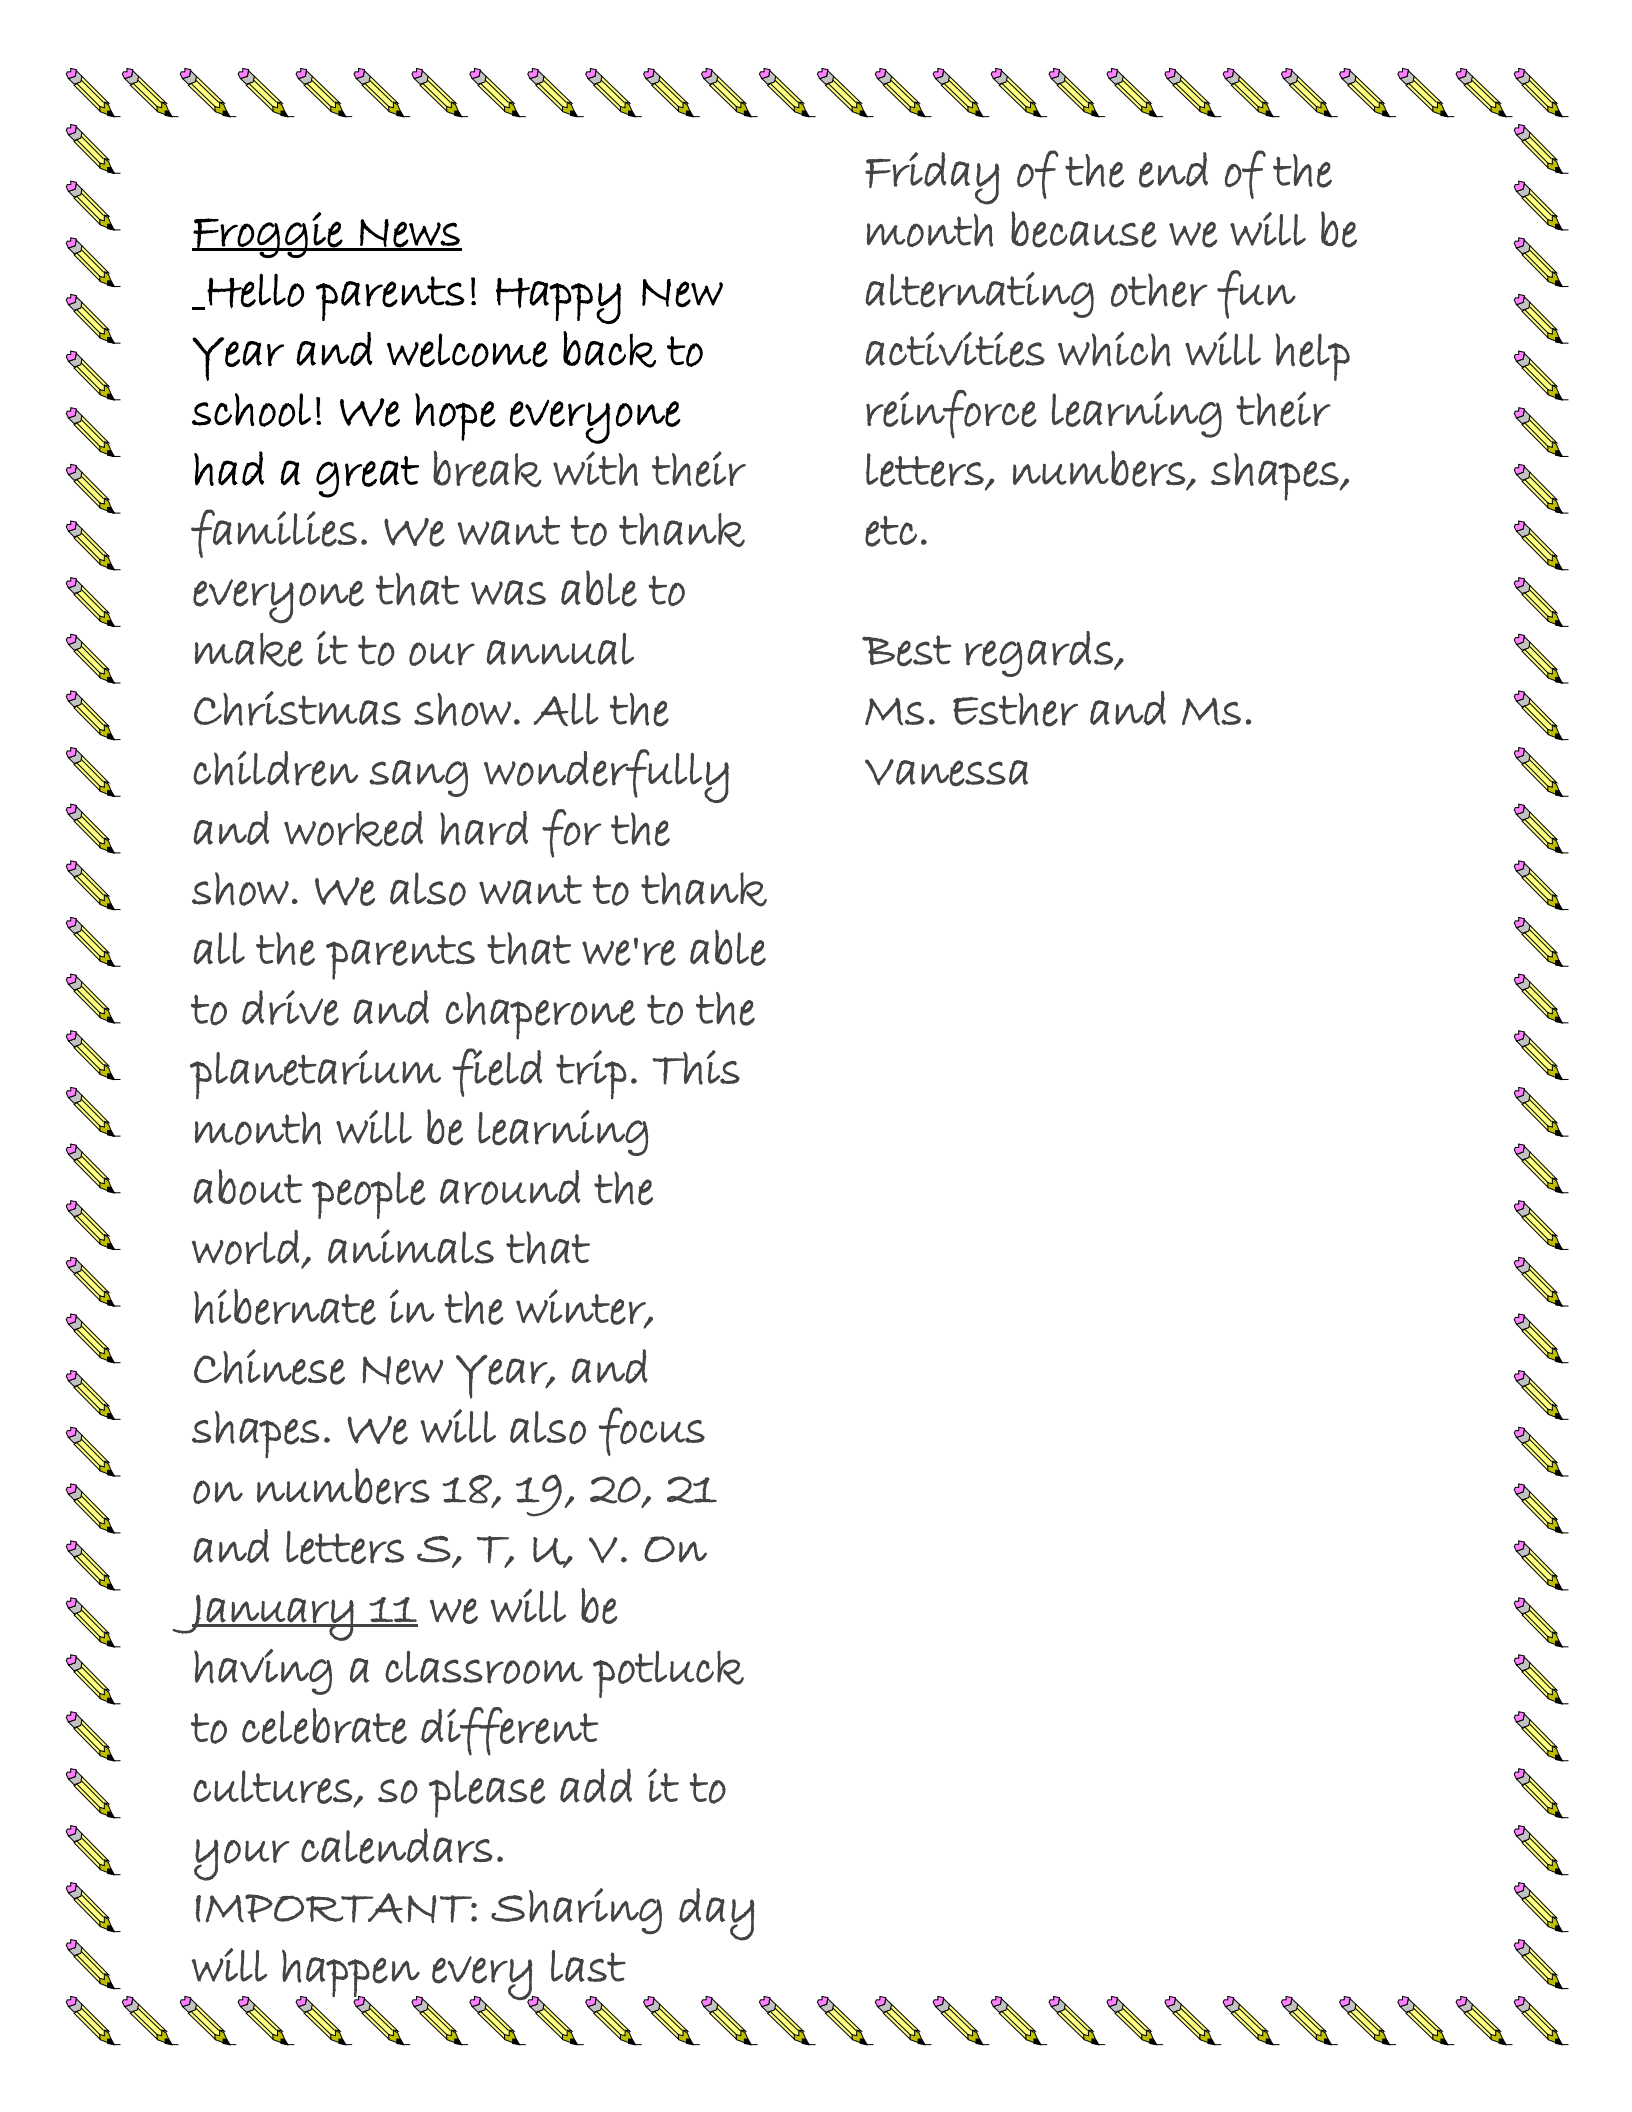

December was such fun! The class loved practicing their Christmas songs and performing for their families. Thank you for bringing in wonderful

dishes to share. It was also exciting to see Santa. We were so happy he was able to pay us a special visit here at Good Sam.

We've enjoyed reading books about Christmas, Hanukah, and Kwanzaa. It is so fun to learn about other cultures and the way they celebrate the holidays. The children made snowflakes and are excited to see what they will look like when we get back from vacation. Probably the best thing we did in December was make presents to share with our families for Christmas.

We hope everyone had a wonderful holiday break. In January we will begin the study of space. We will learn about the solar system, the planets, NASA, and so much more. We may even go to the planetarium. I look forward to new adventures this month with all your children.

Ms. Jessica

Froggie News

_Hello parents! Happy New Year and welcome back to school! We hope everyone had a great break with their families. We want to thank everyone that was able to make it to our annual Christmas show. All the children sang wonderfully and worked hard for the show. We also want to thank all the parents that we're able to drive and chaperone to the planetarium field trip. This month will be learning about people around the world, animals that hibernate in the winter, Chinese New Year, and shapes. We will also focus on numbers 18, 19, 20, 21 and letters S, T, U, V. On January 11 we will be having a classroom potluck to celebrate different cultures, so please add it to your calendars.

IMPORTANT: Sharing day will happen every last

Friday of the end of the month because we will be alternating other fun activities which will help reinforce learning their letters, numbers, shapes, etc.

Best regards,
Ms. Esther and Ms.
Vanessa
