

Good Sam 2021

July News

Summer

The summer has started out with some very fun and exciting events. The children have enjoyed staying cool on water play days. Making bubbles was such fun too. We made our own pizzas, which were very yummy, dressed up as our favorite superheroes, relaxed in our PJs, and chilled out in our Hawaiian attire. In July we are excited about more fun summer events. We are looking forward to dressing as our favorite Disney characters, staying cool with more water play, some friendly farm animals paying us a visit, another fun bike day, and so much more 😊

Dates to Remember

Friday, July 2nd and Monday, July 5th School Closed
Aug 6 - End-of-summer BBQ at Ortega Park 5:30PM
Aug 9-13 School Closed
Aug 16 - New school year begins

Masks? Temps? Parent Access?

Everybody wants to know when various Covid restrictions will be relaxed. Well, we don't know either! Masks are still required for childcare settings in California, and until more is known about the variants, we won't be relaxing the temperature checks, strict illness policy, etc. Thank you for your cooperation.

Extra Clothes

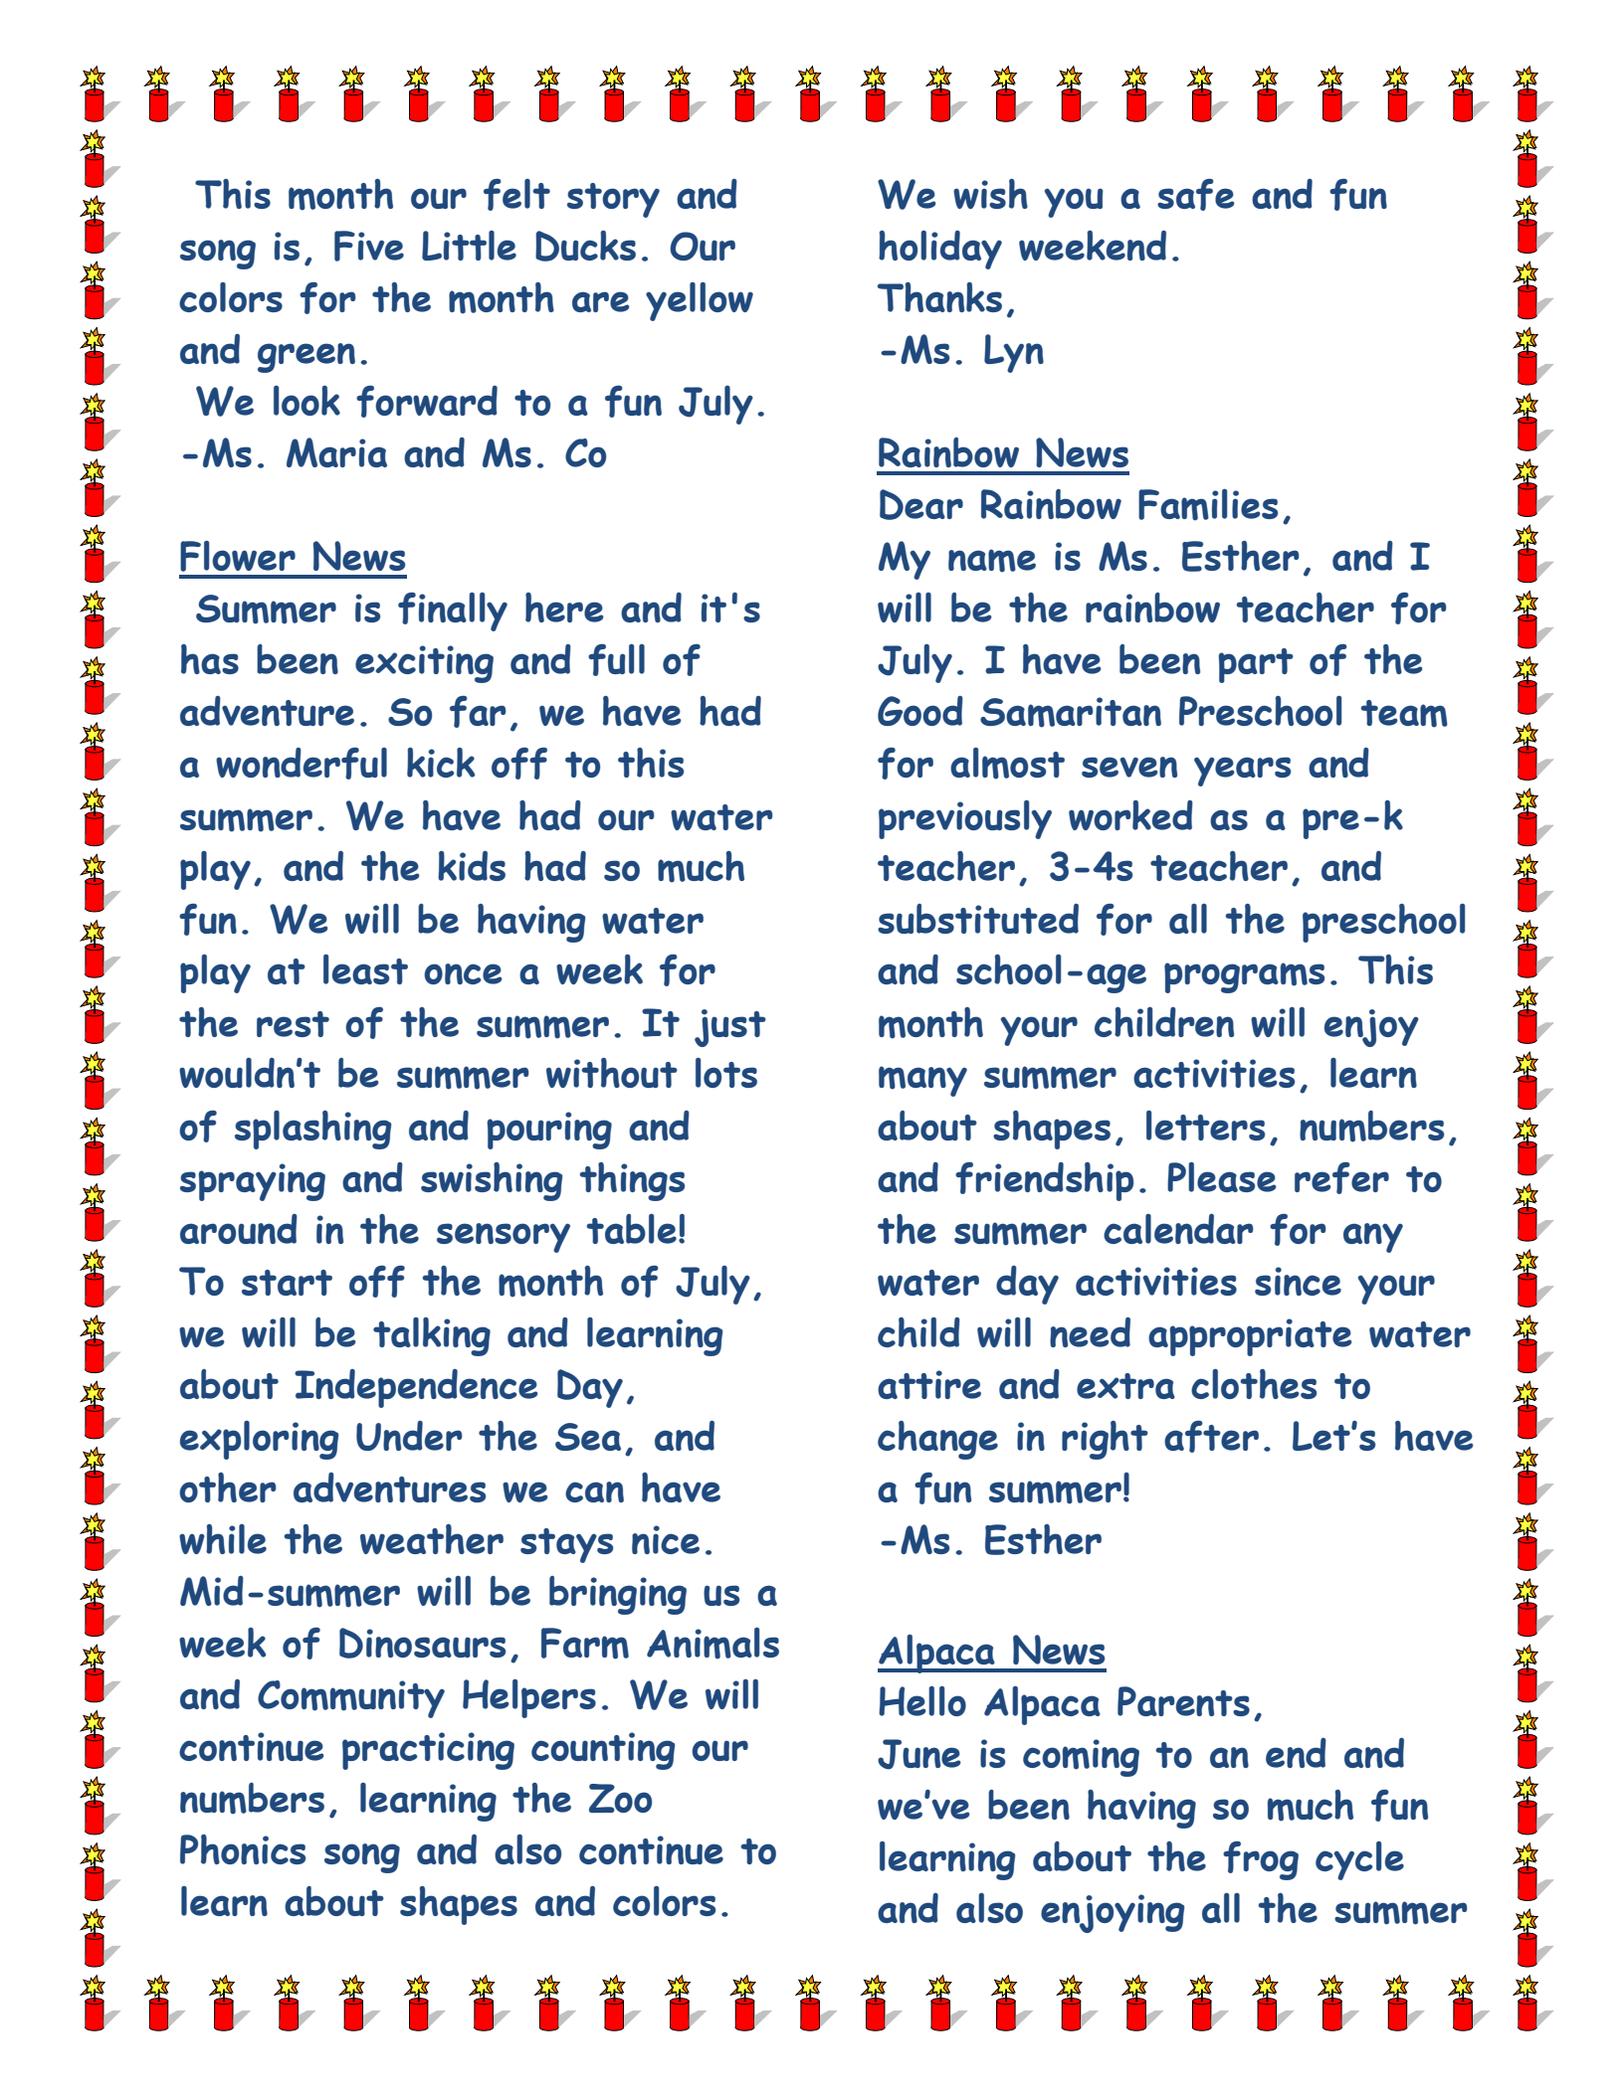

Please remember to always have a set of extra clothes including shoes, socks, and underwear. We will be playing in water all summer, plus you never know when a spill or a potty accident may happen.

New Classes 2021/2022

We will post the new preschool classrooms and assignments in the August News.

Teddy News

July is here! We will continue with our school summer program this month. More water play days to come. Please make sure your child has a swim suit and towels for those wet water days.

This month our felt story and song is, Five Little Ducks. Our colors for the month are yellow and green.

We look forward to a fun July.
-Ms. Maria and Ms. Co

Flower News

Summer is finally here and it's has been exciting and full of adventure. So far, we have had a wonderful kick off to this summer. We have had our water play, and the kids had so much fun. We will be having water play at least once a week for the rest of the summer. It just wouldn't be summer without lots of splashing and pouring and spraying and swishing things around in the sensory table! To start off the month of July, we will be talking and learning about Independence Day, exploring Under the Sea, and other adventures we can have while the weather stays nice. Mid-summer will be bringing us a week of Dinosaurs, Farm Animals and Community Helpers. We will continue practicing counting our numbers, learning the Zoo Phonics song and also continue to learn about shapes and colors.

We wish you a safe and fun holiday weekend.

Thanks,
-Ms. Lyn

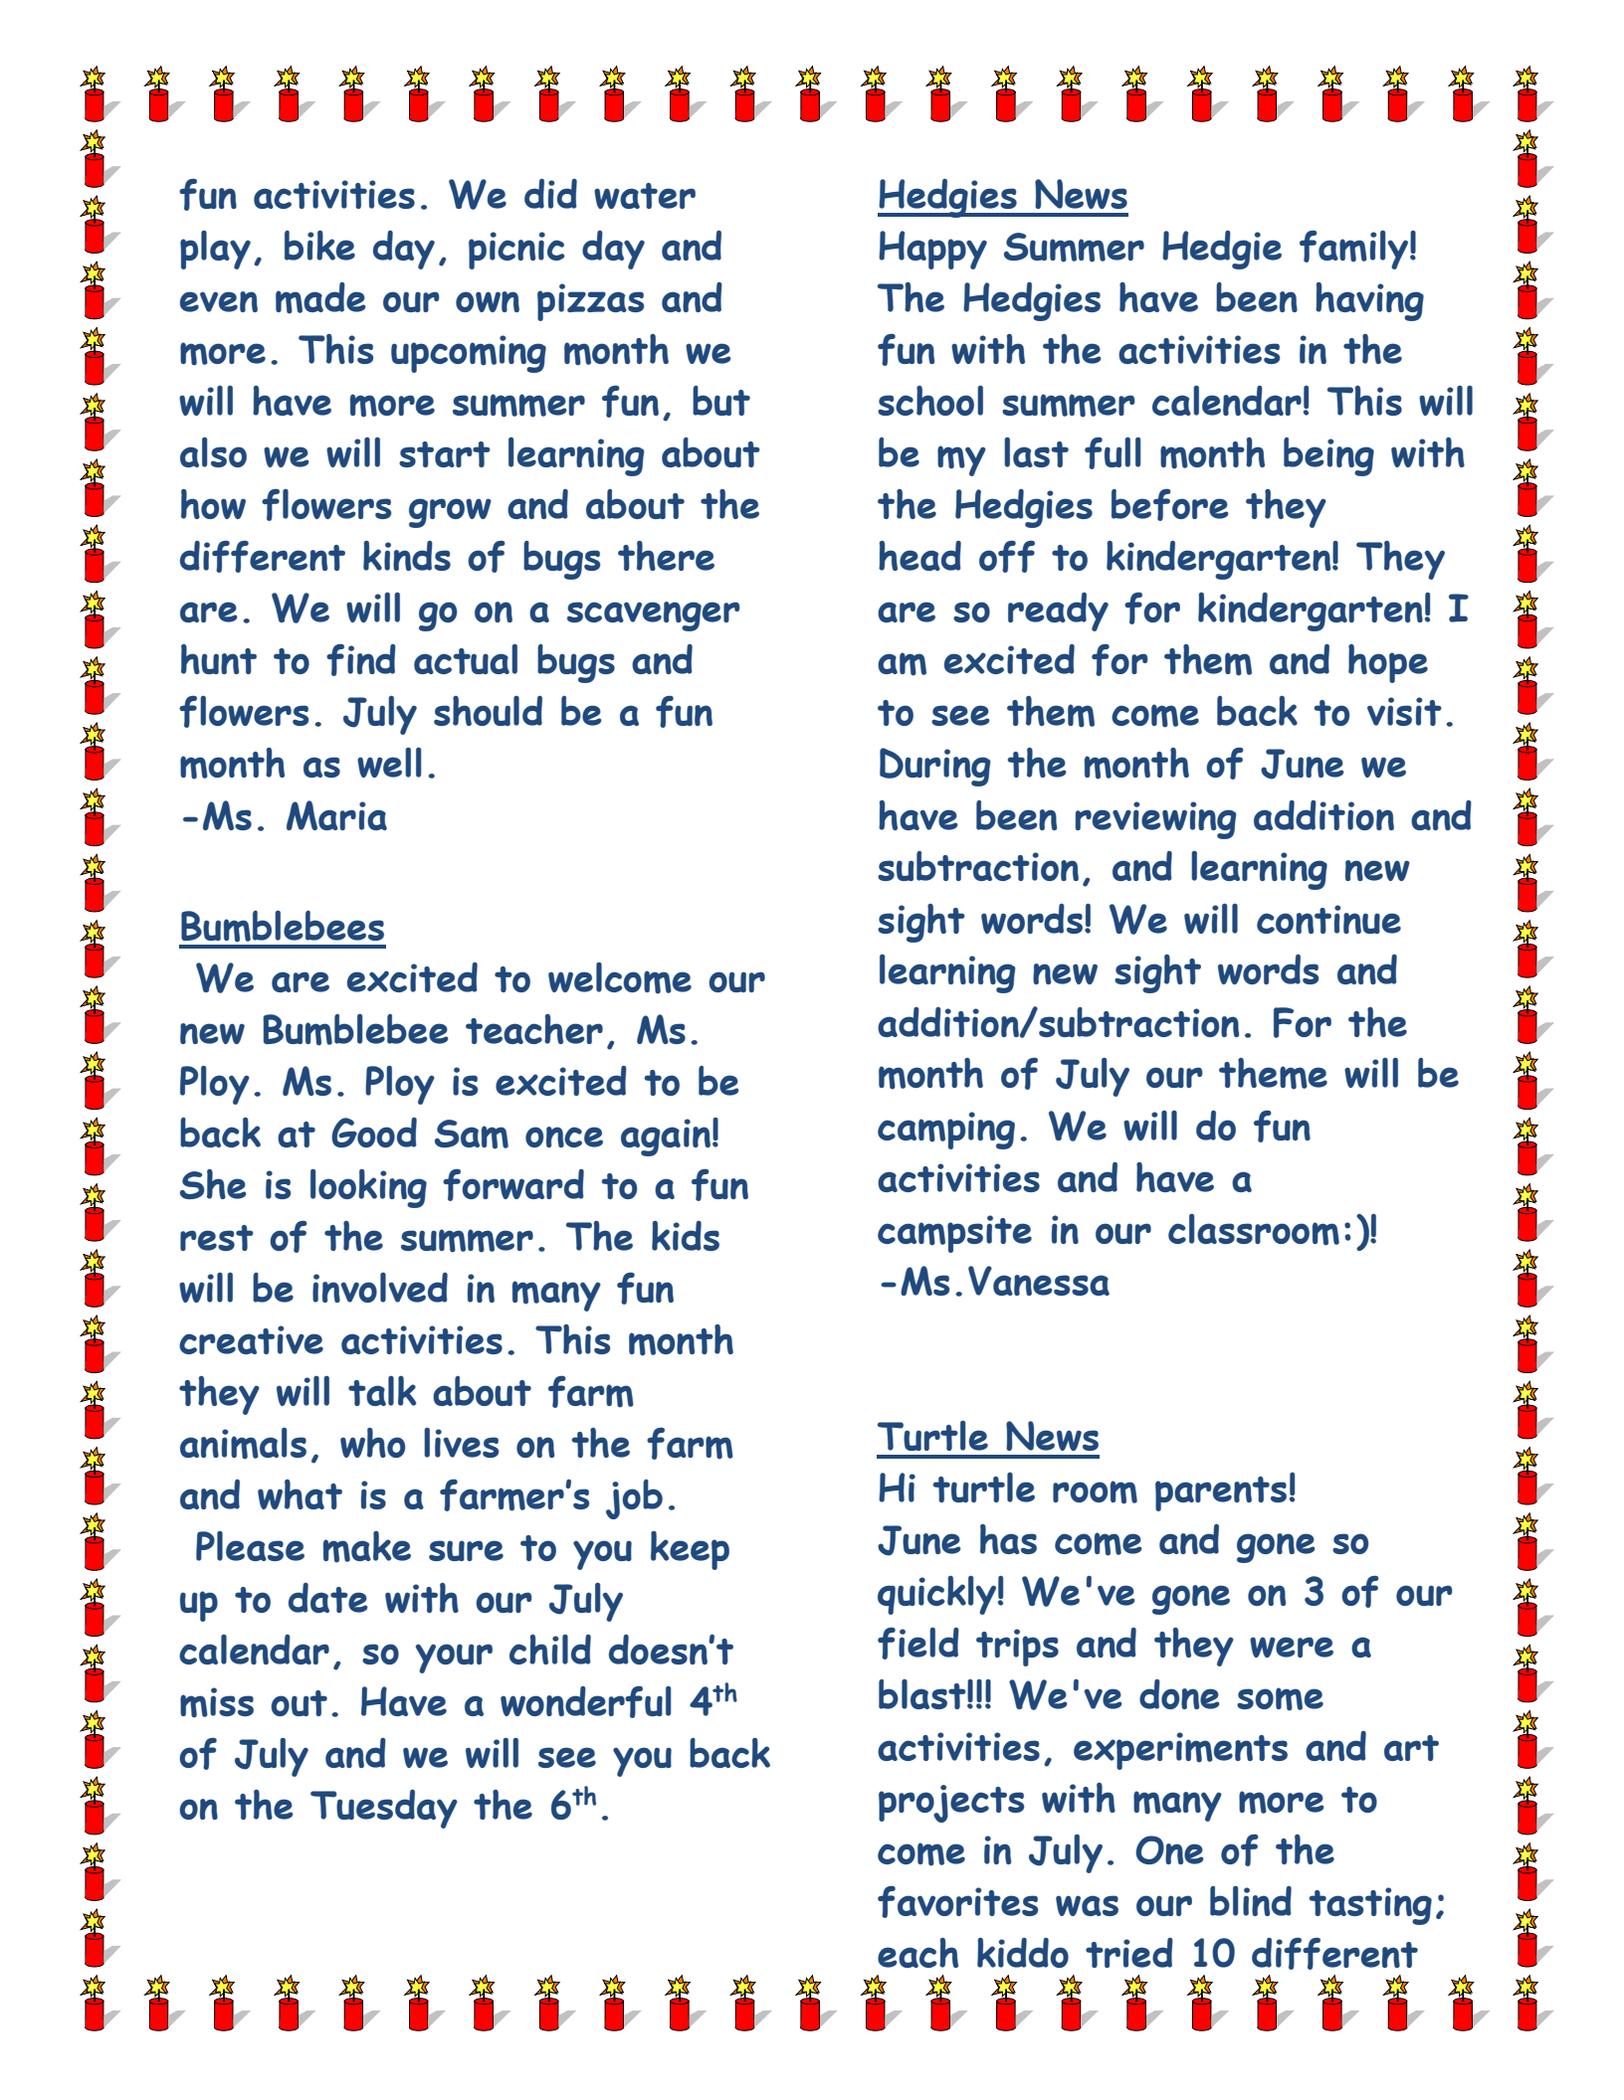

Rainbow News

Dear Rainbow Families,
My name is Ms. Esther, and I will be the rainbow teacher for July. I have been part of the Good Samaritan Preschool team for almost seven years and previously worked as a pre-k teacher, 3-4s teacher, and substituted for all the preschool and school-age programs. This month your children will enjoy many summer activities, learn about shapes, letters, numbers, and friendship. Please refer to the summer calendar for any water day activities since your child will need appropriate water attire and extra clothes to change in right after. Let's have a fun summer!

-Ms. Esther

Alpaca News

Hello Alpaca Parents,
June is coming to an end and we've been having so much fun learning about the frog cycle and also enjoying all the summer

fun activities. We did water play, bike day, picnic day and even made our own pizzas and more. This upcoming month we will have more summer fun, but also we will start learning about how flowers grow and about the different kinds of bugs there are. We will go on a scavenger hunt to find actual bugs and flowers. July should be a fun month as well.

-Ms. Maria

Bumblebees

We are excited to welcome our new Bumblebee teacher, Ms. Ploy. Ms. Ploy is excited to be back at Good Sam once again! She is looking forward to a fun rest of the summer. The kids will be involved in many fun creative activities. This month they will talk about farm animals, who lives on the farm and what is a farmer's job.

Please make sure to you keep up to date with our July calendar, so your child doesn't miss out. Have a wonderful 4th of July and we will see you back on the Tuesday the 6th.

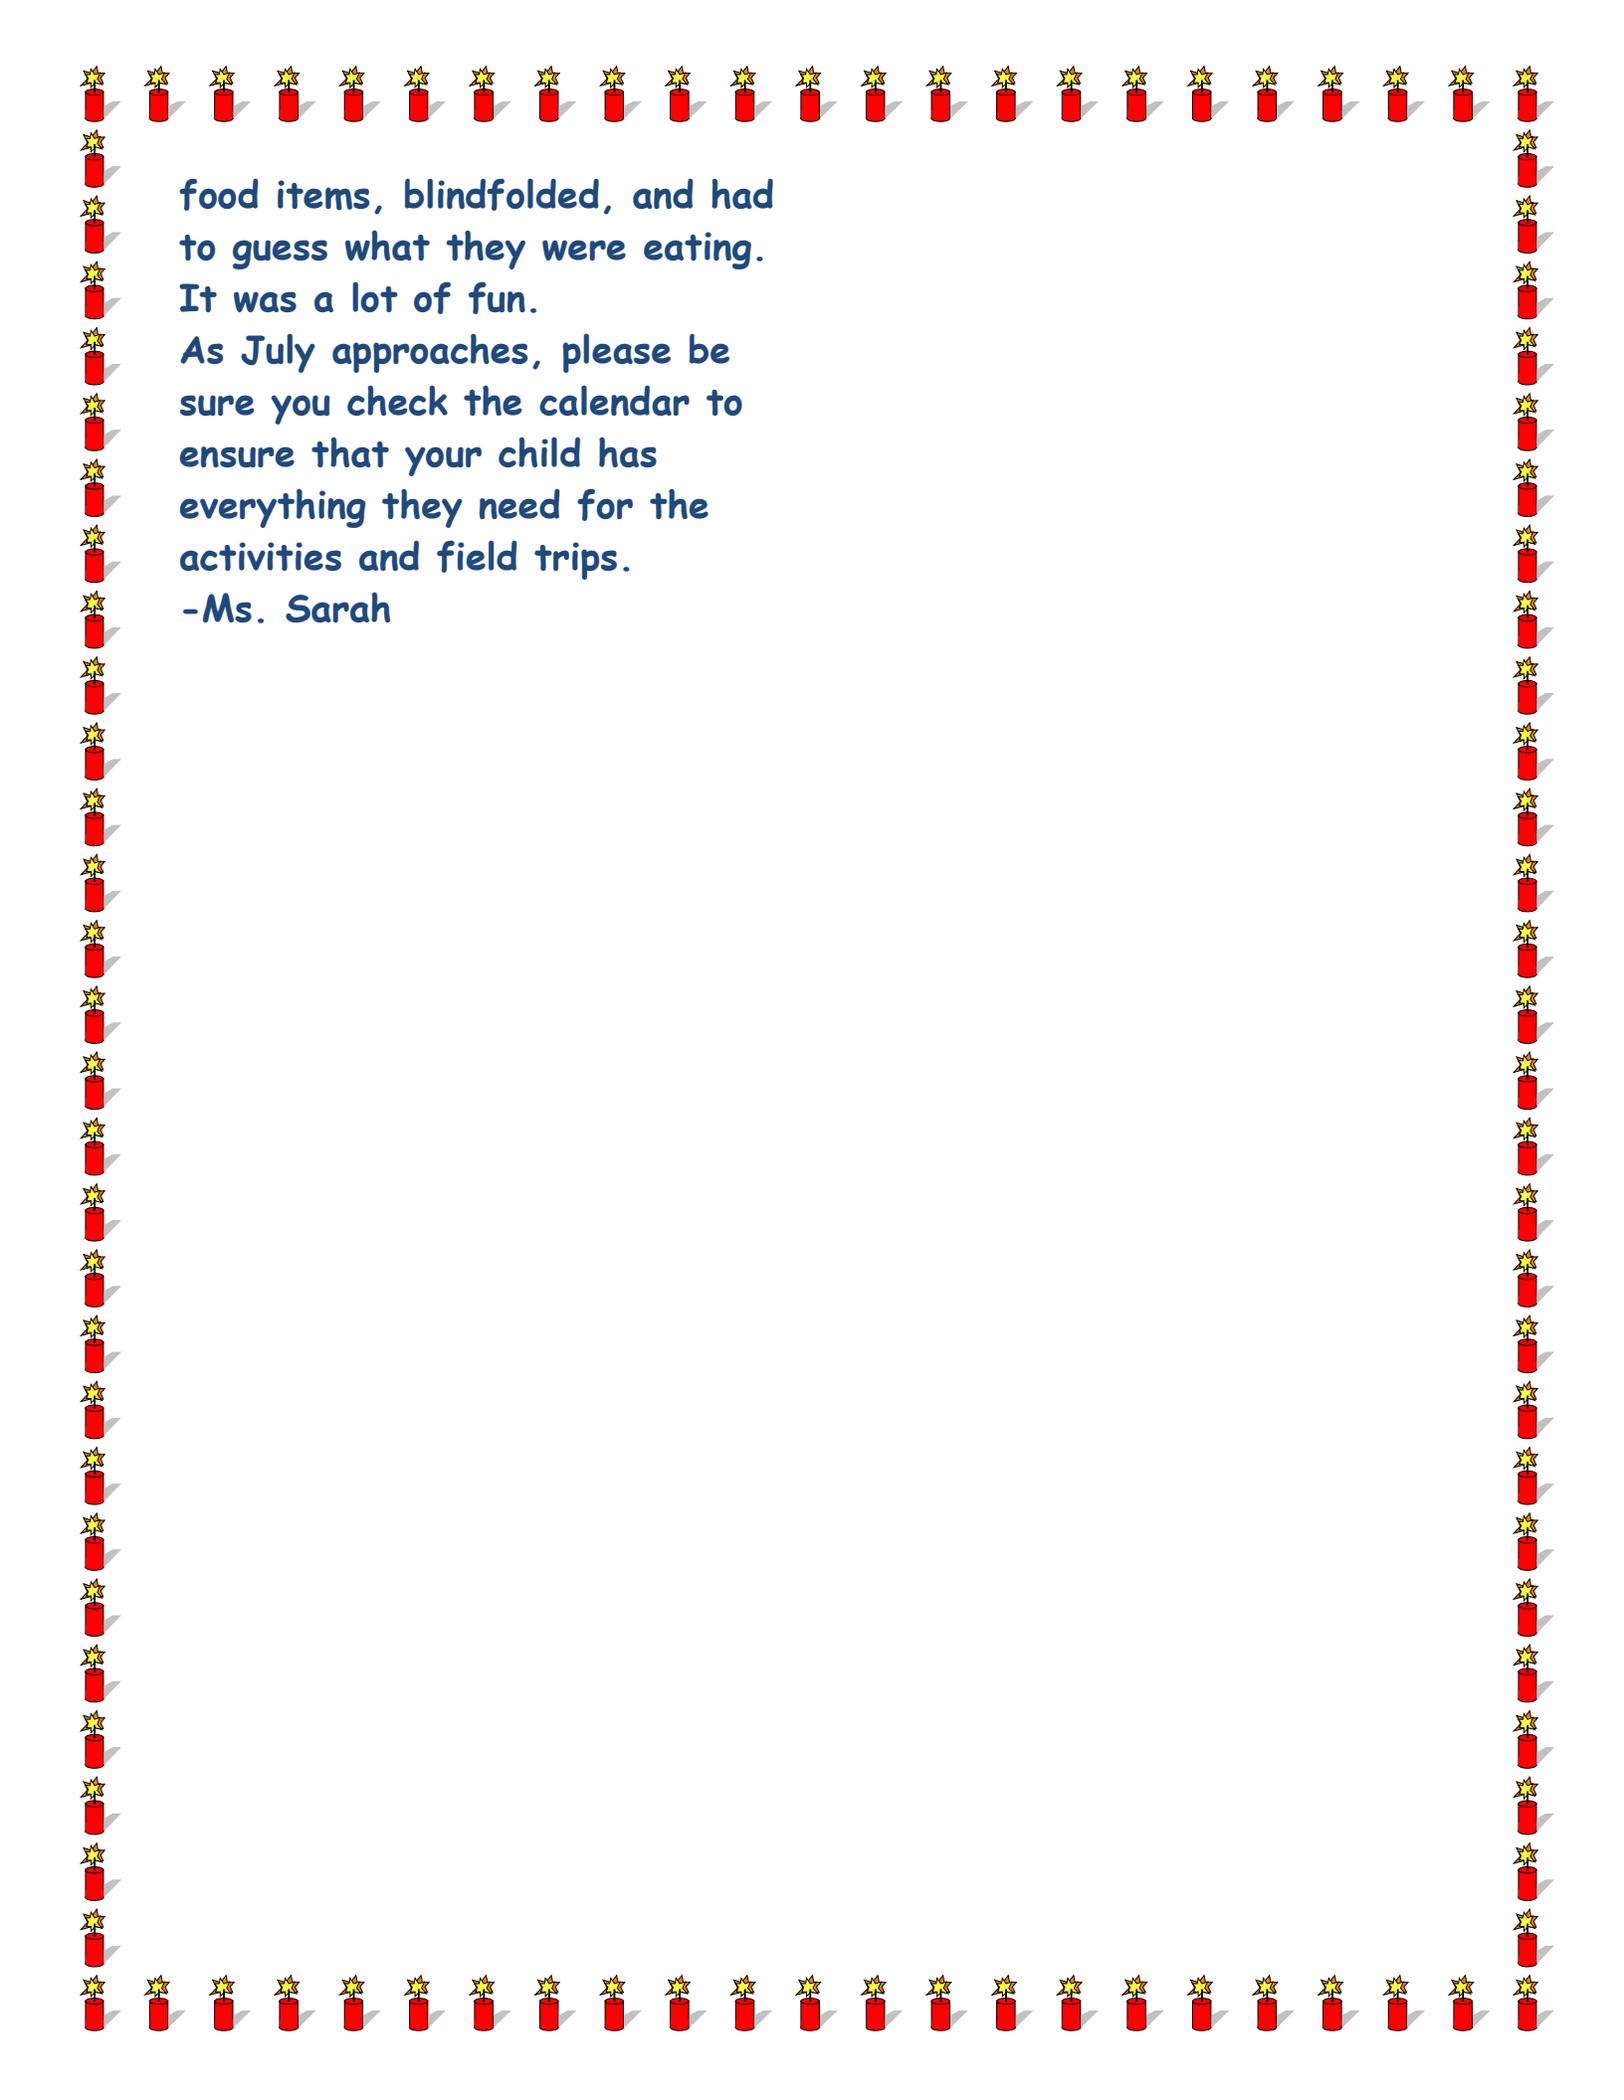

Hedgies News

Happy Summer Hedgie family! The Hedgies have been having fun with the activities in the school summer calendar! This will be my last full month being with the Hedgies before they head off to kindergarten! They are so ready for kindergarten! I am excited for them and hope to see them come back to visit. During the month of June we have been reviewing addition and subtraction, and learning new sight words! We will continue learning new sight words and addition/subtraction. For the month of July our theme will be camping. We will do fun activities and have a campsite in our classroom:)

-Ms. Vanessa

Turtle News

Hi turtle room parents! June has come and gone so quickly! We've gone on 3 of our field trips and they were a blast!!! We've done some activities, experiments and art projects with many more to come in July. One of the favorites was our blind tasting; each kiddo tried 10 different

food items, blindfolded, and had to guess what they were eating. It was a lot of fun.

As July approaches, please be sure you check the calendar to ensure that your child has everything they need for the activities and field trips.

-Ms. Sarah
