A note from Ms. Janette

Hello to all our wonderful families! I am so happy to be back. Thank you everyone for all your kind words and support.

I can't believe another school year has come and gone. I feel so lucky that I get to watch your children grow in happiness every day.

I wanted to wish all our Kinders the best of luck. May their future hold health and happiness. To our families that may be moving or moving on, we will miss you all.

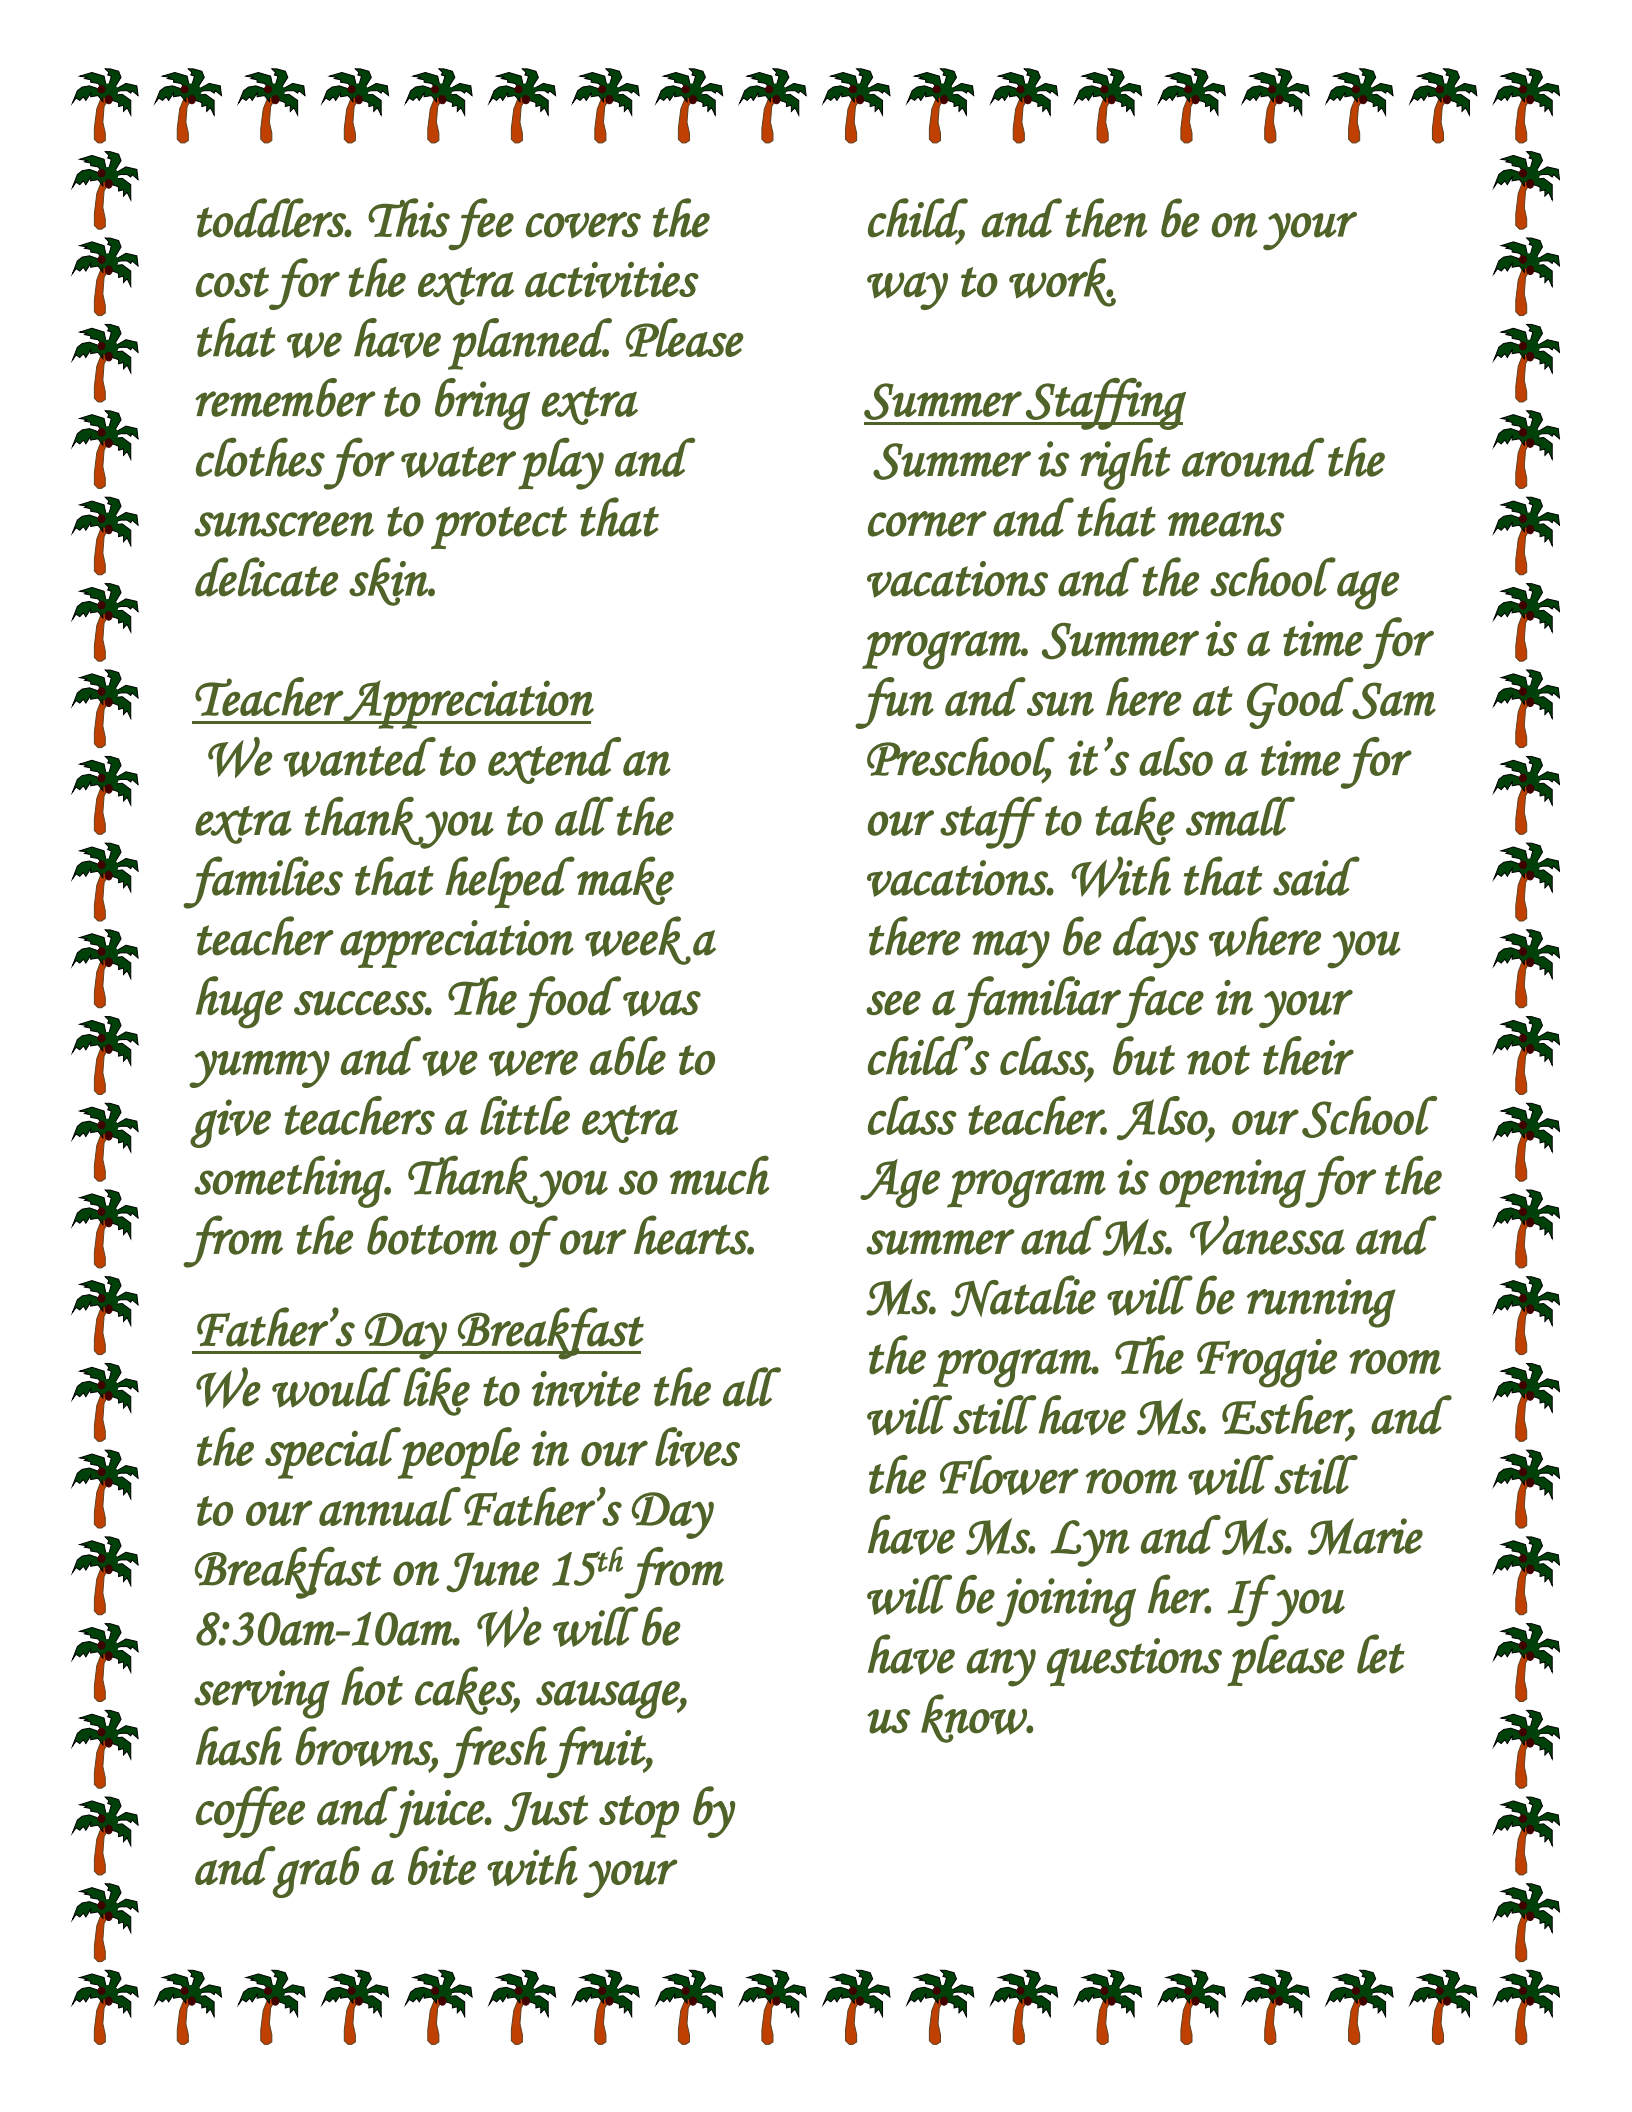

Again, thank you to all our wonderful families. We value each and every one of you!! We are so excited to kick off the summer with your kids.

End of the Year program

Our annual end of the year program is on Friday, June 8th at 5:30pm. Please plan on arriving 15 minutes early so you can get a good seat in the Sanctuary and we can get started on time. There will be a potluck dinner following the program. Sign up sheets for the potluck are located in each classroom. Please take a moment and sign up for a dish to share. We look forward to this special evening and spending time with all of our families.

Summer Sessions

Our school year is coming to an end and we want to extend our best wishes for those families moving on. Our summer session will begin June 11th. In your May monthly statement, you should have seen an extra charge for our summer fee; this does not apply to our infants and

toddlers. This fee covers the cost for the extra activities that we have planned. Please remember to bring extra clothes for water play and sunscreen to protect that delicate skin.

Teacher Appreciation

We wanted to extend an extra thank you to all the families that helped make teacher appreciation week a huge success. The food was yummy and we were able to give teachers a little extra something. Thank you so much from the bottom of our hearts.

Father's Day Breakfast

We would like to invite the all the special people in our lives to our annual Father's Day Breakfast on June 15th from 8:30am-10am. We will be serving hot cakes, sausage, hash browns, fresh fruit, coffee and juice. Just stop by and grab a bite with your

child, and then be on your way to work.

Summer Staffing

Summer is right around the corner and that means vacations and the school age program. Summer is a time for fun and sun here at Good Sam Preschool, it's also a time for our staff to take small vacations. With that said there may be days where you see a familiar face in your child's class, but not their class teacher. Also, our School Age program is opening for the summer and Ms. Vanessa and Ms. Natalie will be running the program. The Froggie room will still have Ms. Esther, and the Flower room will still have Ms. Lyn and Ms. Marie will be joining her. If you have any questions please let us know.

Vacation

If you have any plans for vacation this summer please let the office know. Thank you

Saying Goodbye to Ms.

Sasmita

It's with a heavy heart we say goodbye to Ms. Sasmita.

Sasmita and family bought a home in Fremont. We are so excited for her, and her new journey. Sasmita has been with us for over 10 years. We have watched her grow as a teacher and we've also watched her children grow up in front of our eyes. We will miss her very much and we are grateful for all that she has given to our school. Much love from all of us to you.

Flower News

Hello Flower Room Parents! Happy SPRING... summer is almost here! We had a MARVELOUS month of May. We practiced our graduation song daily, had gym class on Fridays, and celebrated all of our moms! We learned about letters V, W, X, & Y. And we will finish the month of June with letter Z as well as a review of all the letters. We have some big events coming up in June, such as graduation, which is Friday, June 8th with the end-of-year potluck preceding at 5:30. Summer program will begin the following week, Monday, June 11th. We have tons of fun, summer activities coming up, including water

play, bring your bike to school day, sensory fun, bounce houses, and many more. We are so excited to spend the summer with your little ones! In other news, I (Ms. Natalie) will be leaving the Flower room and heading upstairs, to teach the school-age program with Ms. Vanessa this summer. I have spent a great deal of time with the Flower room children and will miss being in their classroom every day. I have had the pleasure of getting to know each child individually and have enjoyed my time with each and every one of them. I will be popping in as much as I can to ease the transition, but I know the Flower Room is in good hands with Ms. Lyn. If you have any questions or concerns, please feel free to approach me. I'm happy to talk with you.

Rainbow News

Hello Rainbow Room families. It's the end of the year and all the children have grown so much. We want to welcome Haylie who just joined the Rainbow room. We are all so excited to have her. June will be a great month full of fun activities. Our annual graduation program on the 8th and our Father's Day Breakfast is on June 15th.

We have all sorts of fun activities planned like water play, sensory fun, bounce house, puppet show, and much more.

Please remember to dress your child in loose clothing that is easy to play in and sleep in. Also, please have your child wear closed-toed shoes.

Have a great summer.

Ms. Dee and Ms. Grace

Butterfly Room

May went by quick and was full of fun and excitement.

Mother's Day was a wonderful time for all the children. They enjoyed making the special gifts and enjoying a very special lunch with their mamas.

Teacher Appreciation was amazing. We were all so spoiled with breakfast, lunch and gifts. Thank you so much to all the families who made us feel so appreciated.

The end of the school year is approaching and our children are busy preparing for our annual program. We do hope everyone can join us for a wonderful night of singing and fellowship. There is a potluck that will follow the program. Please sign up for a dish to share. Sign up sheets are in the class.

Summer, summer, summer!!! We are so excited for summer. So many fun things happening such as the Petting Zoo, Magic Show, Reptile lady, and much, much more. We

hope everyone has a magical summer.

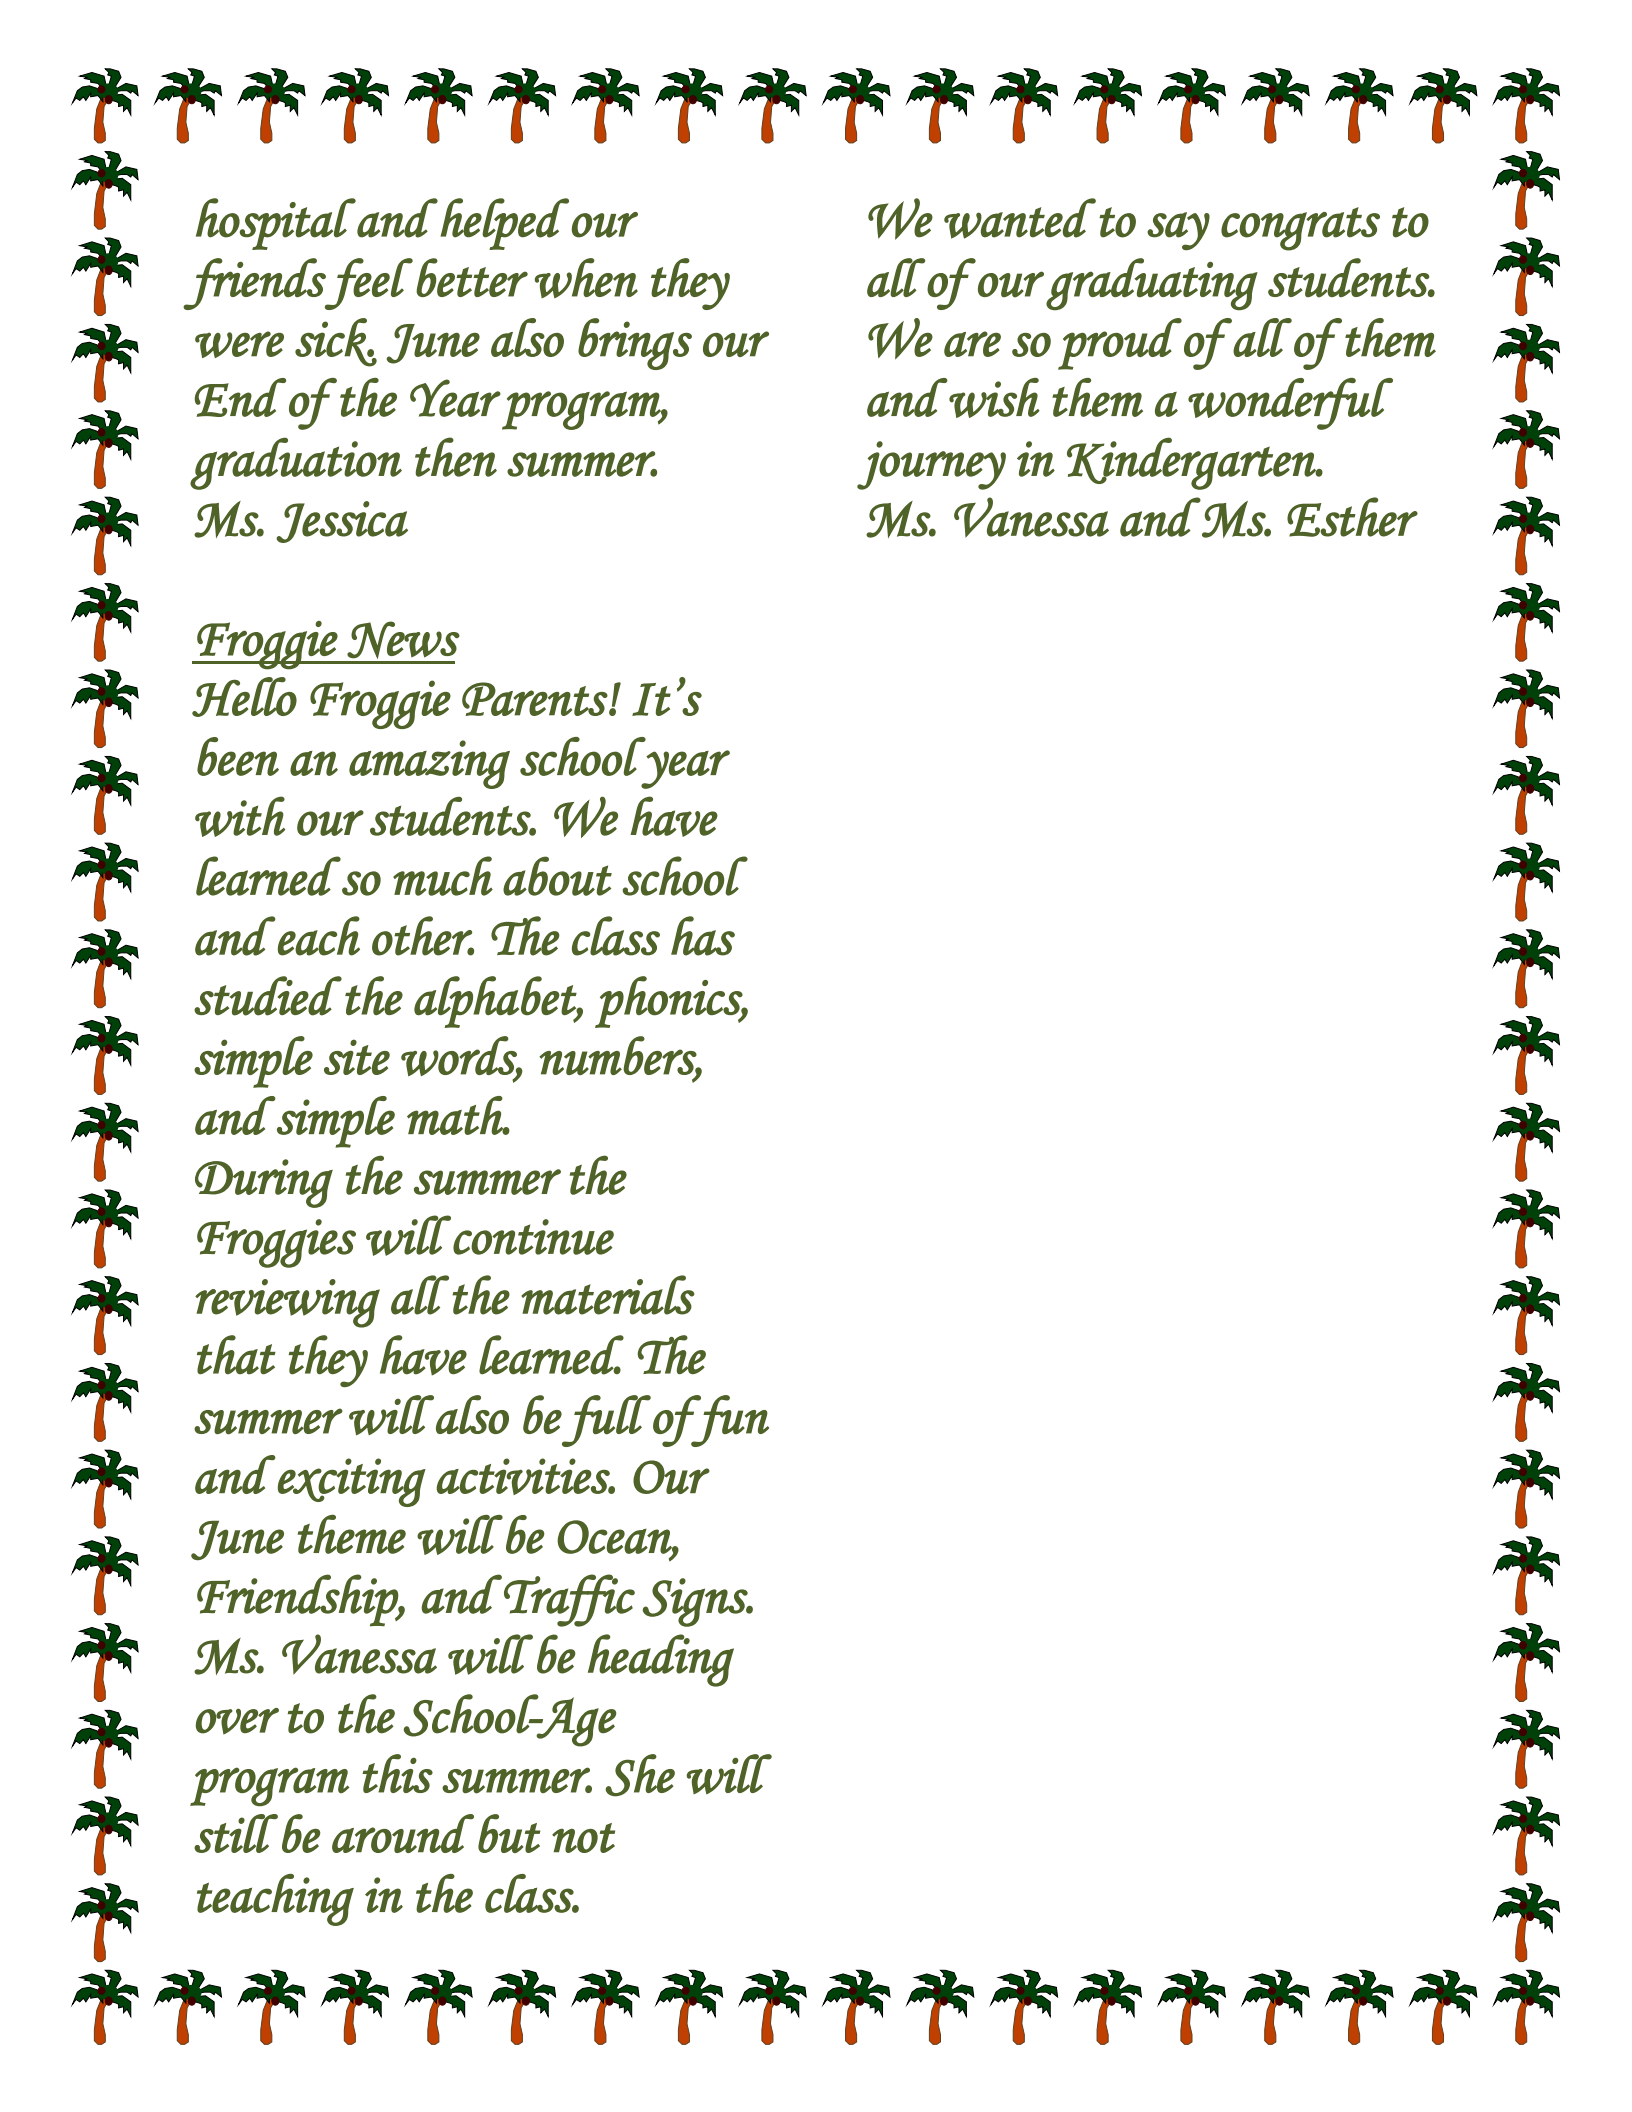

Ms. Sasmita and Ms. Lupe

Jelly News

May has been such a fun month. Our ducks hatched and they were so much fun to play with. We enjoyed watching them grow and we were sad to say goodbye as they headed off to the farm. We also learned about how birds build their nests and made our own nests in class. Those can be found on our class tree. We worked hard making our gifts for our mummies and preparing our song. Thank you to all our mummies who were able to attend.

In June we will continue our study of birds: learning about what and how they eat and live.

The class also learned about their bodies and how we keep them healthy. We played

hospital and helped our friends feel better when they were sick, June also brings our End of the Year program, graduation then summer.

Ms. Jessica

Froggie News

Hello Froggie Parents! It's been an amazing school year with our students. We have learned so much about school and each other. The class has studied the alphabet, phonics, simple site words, numbers, and simple math.

During the summer the Froggies will continue reviewing all the materials that they have learned. The summer will also be full of fun and exciting activities. Our June theme will be Ocean, Friendship, and Traffic Signs. Ms. Vanessa will be heading over to the School-Age program this summer. She will still be around but not teaching in the class.

We wanted to say congrats to all of our graduating students. We are so proud of all of them and wish them a wonderful journey in Kindergarten.

Ms. Vanessa and Ms. Esther
