

Good Samaritan 2021 News

Staff Appreciation Week

Thank you, thank you, thank you! Thank you for the meals, the cards, the gifts, the flowers, and the warm sentiments you showered on us!

Graduation and Goodbyes

Wow what an extraordinary school year! We can't believe how fast it has gone by, and all that we have been through together. We are certainly grateful for every one of you. At this time, we want to congratulate all our graduating students. We are so excited for all your new adventures, and we are grateful that we have been a part of your lives. Whether you are leaving now or at the end of the summer, we will miss you all.

Bumblebees Graduation: Friday, June 11th @10

1. Jane S.
2. Jalen
3. Marlena
4. Myra
5. Sharvin
6. Shiv

Summer is Here

We are excited about summer and all the exciting activities we have planned. We have attached our summer schedule; please take a look, print it out, and hang it up on your refrigerator. We will have several water play days, so make sure you bring a bathing suit, towel, and of course, check to see if your child has enough sunscreen here. We look forward to a very fun summer with your children.

COVID Update

We have now moved into the yellow tier. What does that mean for the preschool?? We will continue to operate under the very same rules as we have been: masking, temperature checks, handwashing, strict illness policy. However, we will be increasing our class size limits in accordance with Licensing's relaxed capacities. As things continue to change, we will of course keep you posted. Thank you as always for your continued support.

Dates to Remember

June 4th – Hedgehog Graduation
10am

June 4th Summer program
begins

June 11th Bumblebee
Graduation 10am

July 2nd and 5th School closed
for Independence Day

Teddy News

Our classroom theme for June will be: The Ocean. We will talk about sea animals, the ocean, and the beach. The class will

learn a fun song called,

Slurping Fish.

During the summer months, we will be participating in our school's summer events. There will be lots of water play. Please make sure your child has at least 2 changes of clothes in their cubby along with shoes. On water play days, please bring a bathing suit and towel for your child. Water shoes would be awesome!

Our colors for the month are blue and white. Our felt story for June is Slippery Fish.

To our new parents, we share pictures of our classroom on Shutterfly/Share sites, if you haven't signed up yet, please do so.

Thank you,
Ms. Maria, Ms. Huiling, and Ms.
Co

Flower News

Hello Parents!

The month of May was full of fun, and yet flew by so quickly. We started out by talking about Cinco De Mayo. We

talked about Mother's Day and shared all of the things that we LOVE about our Moms! And we did a lot of sensory bin/table activities as a group.

In June, we will continue to work on our themes, as well as review our numbers, letters, shapes and colors. The themes will be " It's A Ball", "Father's Day", "It's All About Summer" and "Rocks/Stones". I also have some wonderful activities planned for this month. I would like to thank all parents for the hearts, flowers, food and treats during Staff Appreciation Week. I really appreciate all the wonderful gifts, notes and messages. Thank you so much. I look forward to an exciting summer!!!!

-Ms. Lyn

Rainbow News

Hello Rainbow families!! Firstly, a very warm welcome to Advaith and Albert and their families -- welcome to the Rainbow Room! During the month of June, we will be

working on learning the letters of our names. We will also continue to learn our verbal counting from 1-20 and recognizing numbers 1-10.

Summer time is filled with so many fun and wonderful outside activities, such as water play, painting, picnics, and so much more. Please make sure your child has plenty of extra clothes here. Thank you and Happy Summer

-Ms. Dee and Ms. Grace

Alpaca News

Hello Alpaca Parents,
It's hard to believe that we only have a few more days before the school year is over, and summer is just around the corner. We will be having lots of fun activities this summer, so be on the lookout for the summer schedules.

The past month I've been focusing on where the children are academically. We were reviewing our numbers and letters and by that, I mean we have been practicing how to write uppercase and

lowercase letters. We've also been practicing how to use our scissors properly. This month we will be learning about the frog cycle: we will be talking about the four stages of the cycle along with doing some fun frog art activities. We will also be reading some books about frogs.

-Ms. Maria

skills. As a reminder, we will be having a graduation ceremony on June 11th for the Bumblebees who are graduating and moving on this year. We will also be starting themed days, like water play, so please check your calendars to make sure your child has what they need each day!

-Ms. Lydia

Bumblebee News

Summer is finally here, and it is going to be so much fun! This month we will be focusing on ocean animals! We will study the mammals who live in the ocean, ocean habitats, the parts of a shark and how we can help save ocean wildlife. We will letter- and word-write in sand, make symmetrical shaped turtles, and make our own group ocean creation! During journal time we will ask questions like "If I were an ocean creature, which would I want to be?" and spend some time working on our scissor

Hedgie News

Hello Hedgie parents! Another month has gone by and now we are heading into June! The Hedgies have learned so much this year and soon they will be kindergartners. In the month of May they learned fun facts about worms, snails, and slugs, and learned how to use the sight word "SEE" in a sentence! This month we will be learning about Australian animals! We will take a trip to Australia and learn what animals live there:)! We will continue to learn new sight

words and
addition/subtraction.
We are looking forward to an
amazing summer.
-Ms. Vanessa

as well as a list of things your
child will need for the summer.
Thank you for a wonderful
school year!

-Ms. Sarah

Turtle News

Happy Summer, Turtle room
parents!!!

We made it!

What a long, crazy school year
it has been. Your children have
worked so hard this year, and
we are all very proud what
they have accomplished.

The month of May was another
wild ride with more students
joining their in-person classes,
and new students joining our
class. There was never a dull
moment. We have had to say
goodbye to some friends
moving away, and hello to new
friends joining us.

We are looking forward to
summer and all the amazing
activities that are on the
agenda. At last, we can go on
some field trips! You will
receive a detailed field trip list,
