

Good Samaritan Preschool June News 2022

End of the Year program

Our annual end of the year program is on Friday, June 10th at 5:30pm. Please plan on arriving 15 minutes early so you can get a good seat in the sanctuary. There will be refreshments outside following the show.

Teacher Appreciation

We wanted to extend a big thank you to all the amazing families that brought us treats, coffee, breakfast, lunch, gifts, cards, and love and appreciation! We are so grateful for all of you 😊

Summer Sessions

Our school year is coming to an end and we want to extend our best wishes for those

families moving on. Our summer session will begin June 13th. In your monthly statement you should have seen an extra charge for our summer fee; this does not apply to our infants and toddlers. This fee will cover the cost for the extra activities that we have planned. Please remember to bring extra clothes for water play and sunscreen to protect that delicate skin.

Father's Day Breakfast

We would like to invite all the special father figures in our lives to our annual Father's Day Breakfast on Friday, June 17th from 8:30am-10am. We will be serving hot cakes, sausages, hash browns, fresh fruit, coffee and juice. Just stop on by and grab a bite with your child on your way to work.

30 Day Notice

If you plan on leaving the school or want a change in your schedule, you must give a 30 day notice. This is school policy and is in the school handbook,

Mask Mandate for staff will continue for the time being. They will be able to remove their mask outdoors and when social distancing.

*Mask are still **HIGHLY RECOMMENDED**.*

Summer fun starts soon.

Summer fun is right around the corner! Please take a look at your summer calendar to see what fun events are in store for your children.

Also remember if you haven't filled out a sun screen form please do so. All children should supply their own sun screen from home and make

sure it's labeled with their name. A change of clothes should be in everyone's cubby, as we will be playing with lots of water during the summer. Here is a list of some of June's summer events.

- Bounce house
- Water play
- Bike Day
- Disney Day
- Puppet Show

So many wonderful fun summer activities to look forward to! I have attached the summer calendar once again in case you couldn't find the one, we sent in May. If you have any questions about summer, please let us know.

Healthy Lunches

Please remember that it is important to introduce our children to healthy lunches. We would love to see every child with fruits and veggies,

yogurts and cheeses, and a nice healthy main dish, and maybe a very small treat.

Introducing our children to healthy meals at a young age promotes good eating habits and healthy teeth. Thank you on behalf of your children.

Flower News

We want to welcome Nina, Dana, and David to the Flower Room.

Our school summer session will start on Monday, June 13th. We have scheduled many fun activities for the children to participate in. Some of the days we will be doing water play. Please remember to bring a bathing suit, towel, and water shoes if you have them. Bike Day is also coming up, please bring your child's bike and helmets.

We also want to take this time to invite you to our End of the Year program. The children have been practicing and can't wait to sing their songs for you.

We look forward to a wonderful and warm summer.

_Ms. Maria and Ms. Grace

Rainbow News

Hi everyone, happy June!! Thank you so much to all the wonderful parents for showering us with yummy food and gifts! We truly appreciate it. This month we will prepare for our graduation performance and celebrate Father's Day as well as enjoying summer! All the children will be involved with lots of fun activities this month, like water play, bounce house, a bird show, and so much more! We welcome all of our dads to join us for the Father's Day breakfast on June 17th. Last month was very nice with our Mother's Day luncheon and learning about birds, the sun, flowers and butterflies!! Let's have another fun month together and keep growing.

-Happy early birthday to Bendeguz.

Welcome to Rainbows, Eloise.

_Ms. Perla and Ms. Esme

Dino News

Oh no! Is it June already? This school year has gone by so fast. Last month we talked about the plant cycle, how things grow, and SPACE! We even designed our own planets.

Looking forward to June when we will be reviewing our letters, numbers, and practicing songs for the graduation ceremony for our Froggie and Butterfly friends.

On June 13th I will be leaving the Dinosaur classroom for the summer, but not to worry I'll be right across the hall with the school age kids. Ms. Esmé will be taking care of the Dinos until August. She has only been with us a few months but she is an amazing, loving teacher and I know the Dinos will have a great time with her over the summer. Thank you, Dino parents, for all your love and support over this school year. I am so proud of all my little Dinosaurs; they have grown and learned so much since August 2021. I can't wait to see what they do next.

Love, Miss Sarah

Butterfly News

Thank you so much for the yummy meals and gifts for Teacher Appreciation week!

We are entering the first month of summer and it's also our last newsletter for this academic school year. This month we will say goodbye to friends for the summer and we will be wishing some friends farewell as they graduate and move on to new adventures. We will take all our memories with us, and remember the times we spent together growing and learning in the Butterfly Room.

The school year has been a wonderful experience for us. I really enjoyed spending time with the Butterflies. I appreciate all the support throughout the year, and have enjoyed every moment working with all the children and watching them all grow and develop.

To celebrate all our accomplishments, we are excited to invite you to our 2022 preschool graduation music

*performance on Friday June 10th
at 5:30pm.*

*Thank you,
_Ms. Ploy*

Froggie News

*Hello parents!
The month of May was full of
fun and yet, it flew by so quickly.
We started out by talking about
Cinco De Mayo and made our
own quesadillas. We talked about
Mother's Day, shared all of the
things that we LOVE about our
moms and had a great time at the
Mother's Day Tea Party.*

*As for June, our Froggies are
graduating and have been
working hard practicing their
performance for the year end
program. We can't believe that
they are all grownup and all set
to graduate and move on to
kindergarten. For all the kids
who will be leaving us after the
graduation day and moving on to
new learning experiences, we will
surely miss them. As for the
themes this month, we will talk
about "Father's Day!", "Flag*

*Day, and learn about ocean life
and wild animals as well as a lot
of wonderful summer activities.
And also, we will be inviting all
the fathers for our annual
Father's Day breakfast.*

*I would like to thank our parents
for all of the Hearts, Flowers,
Food and Treats during Teacher
Appreciation Week. We
appreciate all the wonderful gifts,
notes and messages. Thank you so
much. It has been a pleasure to be
part of your children's
tremendous growth this year.*

*We look forward to the exciting
summer!!!!*

_Ms. Lyn
