

Good Sam Preschool
March News 2018

A Leprechaun is small and green,
He hides where he cannot be seen.
But if you catch one on this day,
He must give his gold away.

Pizza My Heart

We wanted to take a moment and thank all our families that joined us at Pizza My Heart for our school fundraiser.

Sick Policy

Various illnesses have been circulating in our preschool. The teachers are being very diligent about cleaning and sanitizing classrooms, toys, and structures. We ask that all families also be very diligent about keeping their children home when they show signs of illness. Together we can try and stop the spread of illness. Thank you.

Hand Washing

Please remember to wash your child's hands at drop off and at pick up. Hand washing is so important to stop the spread of germs, and this year illness

has been pretty bad in schools.

Summer Planning

Summer planning has begun. We are very excited as our summer program is always so much fun. We will be keeping it a secret for just a bit longer, but look in May's news to see more details.

Teacher Conferences

February upstairs classes had teacher conferences. If for some reason you didn't get a chance to meet with your child's teacher please let us know.

Dates to remember

March 30th Egg Hunt and
Easter Party School closes at
12pm

Flower News

Hello parents!

We had a fantastic February! The valentine's potluck was very fun and successful! The children loved almost everything they ate :). This month we did a letter review of all the previous letters we've learned since it was such a short month. We will pick back up with letters L, M, N, & O for the month of March! We reviewed shapes and numbers every day, we added a new aspect of circle time where the children can interact with shapes and colors directly! We sang tons of fun songs and learned about different emotions. We participated in a lot of open-ended art this month as well as table top activities! We've been having music on Mondays and gym on Fridays: both super fun and interactive! Next month we have Good Friday, which is March 30th and the school does close at noon. However, we have our Easter egg hunt and pot luck Friday, March 30th from 10:00-11:30. We will be learning about St. Patrick's Day and

doing art and other activities which correspond with the holiday as well as learning about Easter. We will continue numbers up to 20 this month and work more on shapes and colors along with the new letters. We are excited to march into March, have a magnificent month!

Ms. Lyn & Ms. Natalie

Rainbow News

Hello Rainbow room families. A big thank you to all the families that brought food for our Valentines Day party. We all had such a wonderful time at our pot luck. The children were so excited to take home their goodies from all their friends.

The month of March we will continue to learn our letters P, Q, R, and S. Also, we will work on the letter that starts with our first name. Also, we will have an Easter party and egg hunt on the 30th of March. That day the school will be closed at 12pm as it is Good Friday.

A reminder to all the parents to label all their children's belongings and to stock their

cubbies with extra clothes (including shoes and socks) at all times.

Please dress your child in loose and comfortable clothes, which are easy to play in and potty train in. Let us know if you may have any questions about our class or your child.

We look forward to an amazing month of March.

Happy St. Patrick's Day and Happy Easter

Ms. Dee and Ms. Grace

Butterfly News

Hello everyone February was a short but busy month full of fun activities. We celebrated and exchanged Valentines cards on Valentines Day.

Thank you to all the parents for bringing all the yummy veggies, fruit, main dishes, and treats to our celebration.

During February we learned about the planets, our moon, the sun, and outer space. We made moon rocks out of clay and pretended to be astronauts on the moon. We visited the planetarium and learned so many new and exciting things.

In march we will focus on our own planet, planet earth. We will also be gardening and learning how to care for plants. Dr. Seuss will be the author we will focus on as it is his birthday month. The class will be making green eggs and ham as well. March 30th will be our Easter party and egg hunt. School will be closed by 12pm that day.

Ms. Sasmita and Ms. Lupe

Jellyfish News

February flew by so fast! We had such fun learning about countries all over the world. We talked about the Winter Olympics and how hard the athletes have to train to be a part of it. Celebrating Valentine's Day was so much fun. Thank you to all the families who sent in yummy food and goodies to share and for coming to join in on the celebration. We had a great time at the party. March means the start of Spring. We will be discussing Dr. Seuss and celebrating his birthday with some green eggs and ham. We will be reading

his books and doing some fun activities to go along with it. We will also learn about St Patrick's Day and Easter! This month sure will be busy. Don't forget our Egg Hunt and Party on March 30th. We hope to see everyone there!

Froggie News

Hello parents,
Even though February is the shortest month of the year we have so much going on. They all enjoyed learning about bones, organs and blood cells in our human body. Thank you for bringing delicious food to the Valentine's party. We got to celebrate Valentine's Day by giving out cards, eating delicious food, and honoring friendship.

We will welcome March with a field trip to the neighborhood park. We have completed learning all the letters in the alphabet but will review the alphabet with different fun activities. We will also begin learning sight words and simple addition. We are excited to welcome spring and celebrate Dr. Seuss' birthday with

reading his books and doing fun learning activities.

Best regards,
Ms. Esther and Ms. Vanessa
