

Good Sam Preschool
March News 2019

A Leprechaun is small and green,
He hides where he cannot be seen.
But if you catch one on this day,
He must give his gold away.

Label, Label, Label!

Please remember to label everything you bring to school (except for your children). 😊 This includes lunch boxes and the containers of food inside, water bottles, jackets, spare clothes, blankets and nap bags. If another teacher is standing in while the regular teacher is out sick or eating lunch, she may not know what goes to whom, and what goes home.

Pizza My Heart

The preschool will be hosting a Pizza My Heart Fundraiser on Wednesday, March 13th from 4pm-9pm. We will be at the Cupertino Pizza My Heart on Stevens Creek. 30% of total purchases go to the school. You can eat there, take out, even deliver. Just let them know you are from Good Samaritan Preschool.

Sick Policy

Various illnesses have been circulating in our preschool. The teachers are being very diligent about cleaning and sanitizing classrooms, toys, and structures. We ask that all families also be very diligent about keeping their children home when they show signs of illness. Also, handwashing is the best preventative. Together we can try and stop the spread of illness. Thank you.

Picture Day

Picture Day will be on April 3rd and April 4th. This is also the time of year we do class pictures. Keep an eye out for more info to come.

Re-enrollment Fee

Last month we asked all families to make sure they re-enrolled for the fall by filling

out the re-enrollment form and paying \$90 re-enrollment fee. If you signed up but haven't turned in your fee, you will see it on your bill through Smart Care.

Summer Activity Fees will show up in your bill in May. If you are leaving for the summer and returning for fall you will need to put down a \$200 deposit.

Dates to Remember

March 13th: Pizza My Heart Fundraiser

Ladybug News

Hope everyone is staying warm and dry! Now that the weather's returning to normal, please be sure to send weather appropriate shoes and outerwear. While everyone adapted well to indoor days, the children are so excited to get back out to the playground! Last month, we worked on using words and signs to communicate at the table, like 'more' and 'all done'.

Ms. Kaelyn & Ms. Janice

Teddy News

We want to start by welcoming one of our teachers,

Ms. Huiling, who will be joining the Teddy Bear room this month. She is a wonderful addition to our classroom and the children are delighted to have her.

During the month of March, we will focus on St. Patrick's Day, a great and fun way to introduce the color green. We will also include rainbows and shamrocks in our monthly themes. For our new parents we have music and an art project every day. We encourage all the children to participate in these fun activities.

Parents please remember to label everything, food containers, water bottles, cups, extra clothes, jackets, everything.

Thank you,
Ms. Maria, Ms. Co, and Ms. Huiling

Flower News

With the days getting longer and springtime just around the corner, we leap into March with many exciting events popping up and a renewed sense of excitement!

During the month of February, we talked about Chinese New Year and celebrated Valentine's Day. The kids had fun passing out their Valentine's cards to their friends and enjoyed the yummy food. Thanks to all the parents who brought food and goodies.

The month of March is packed with fun activities, games and art. Our themes for this month are Spring, St. Patrick's, Nature and Bugs/Insects. We will enjoy the changing weather. We will hunt down Leprechauns and watch the green magic happen.

With the warmer weather coming up, we look forward to an exciting spring. Happy March Everyone

Rainbow News

The little Rainbows are marching into spring! Many of us are turning 3 and some of us are Rainbow Room newcomers! Please continue to potty train at home (for those who are training) and keep us

updated on your progress at home. Here at school we will be learning the wonderful world of dinos, building, construction, and how flowers grow! Our letters are w, y, z and a review of A-E. We are so thankful to be welcoming spring with you and your amazing children.

Ms. Lydia & Ms. Maria

Jellyfish

Hello Jellyfish room families. First of all, we wanted to thank everyone for contributing to our Valentine's Day Potluck. The children were very excited and had a wonderful time exchanging Valentines.

Our March themes are spring and St. Patrick's Day. The children will be doing various arts and crafts related to the theme of the month. We will also be learning about the different types of weather such as rain, wind, clouds, snow, lightning, and sun light. We will also continue learning our letters.

Ms. Dee & Ms. Grace

Butterfly

Hello parents,
Even though February is the shortest month of the year we had so much going on. They all enjoyed learning about bones, organs and blood cells in our human body. Thank you for bringing delicious food to the Valentine's party. We got to celebrate Valentine's Day by giving out cards, eating delicious food, and honoring friendship.

We welcome March by celebrating Dr. Seuss' birthday. We will celebrate his birthday reading his books and doing fun learning activities. If you have a Dr. Seuss book at home please read it with your child. Dr. Seuss books are great for word rhythm, a great laugh, and

to develop a great love for books.

Best regards,
Ms. Esther

Froggie News

Wow! This month went by very quickly! The kids had fun making valentines art and learning about the human body. We have learned about our organs, bones, and x-rays, and we finished the alphabet!!!

Thanks to all the parents that brought food and treats for our Valentine's party! For the month of March, we will start learning simple sight words such as: at, cat, hen, ten. We will continue learning our numbers and doing fun activities :)!

Ms. Vanessa & Ms. Lupe
