Five Little Pumpkin Sitting On a Gate

**Five little pumpkins sitting on a gate,
The first one said,
"Oh my, it's getting late."
The second one said,
"But we don't care."
The third one said,
"I see witches in the air."
The fourth one said,
"Let's run, and run, and run."
The fifth one said,
"Get ready for some fun."
Then whoosh went the wind,
And out went the lights,
And five little pumpkins rolled out of sight.**

Infant and Toddler Yard

Have you seen the new Infant and Toddler yard? We are so excited about this upgrade for our little ones. If you get a chance take a peek.

Our Children: A Part of Something Bigger

Last month our upstairs classes were a part of something bigger. First the children were educated about Hurricane Harvey, and what happened in Texas. They painted pictures of how they could help others in need. Parents were able to purchase these masterpieces, and we raised over \$300 to help the people of Houston. Next the children helped make

2 meals for people in need. We think it is important to teach our children about helping others in need. Please continue to nurture this important lesson outside of school and in your home.

Snack Calendar

As they say on Family Feud, "Survey Says...!" The parent survey went out on Back to School Night and one of the areas for improvement is our snack offerings. Starting today, we are implementing a new morning snack schedule that offers at least two foods groups and milk every day. You can see the two-week schedule posted in the classrooms. It's a work in progress, so if you have

suggestions, please bring them to the office.

Picture Day

Picture day went smoothly. Everyone looked so adorable. You should be getting a link to the proofs very soon and you will be able to place your orders online. If you have any questions about your pictures or orders please email the photographer directly at kristina.rust@gmail.com. Thank you.

Pumpkin Patch Field Trip

On October 13th the Froggies, Jellyfish, and the Butterflies are going to Uesegi farms in Morgan Hill on a field trip. The children will enjoy: a train ride,

hay maze, pumpkin maze, and each child gets to pick out their very own pumpkin. We are asking parents to volunteer to drive and chaperone the children. Without your help the field trip can't happen. There are signup sheets in the classrooms. Thank you!

Halloween

Halloween is a wonderful time for children; it is one very easy way to let children explore their imagination. We will be celebrating Halloween on Tuesday, October 31st at 11 by singing spooky songs in the Sanctuary. Children may wear a costume to school but please bring a change of clothes. Please do

not bring guns, swords, or scary masks. Signups and times for the party and parade will be posted on your child's classroom door.

Pumpkin Contest

Every year each classroom is involved in our pumpkin decorating contest, which involves a theme. This year's theme is Disney. At our Halloween party and parade you can vote for a pumpkin or all the pumpkins. We will also be raffling them off as a fundraiser. So don't forget to vote.

Flower News

Hello parents! Happy Fall! We had a great month this September! The children were introduced to letters A,B,C, & D. There were a number of arts and crafts activities including rainbow handprints, balloon and bubble wrap foam painting, and painting with cotton balls just to name a few. During circle time we went over words that started with the letter of the week such as

Cat for C-week and Apple for A-week. During circle time we have been doing a lot of singing, dancing, and reading stories as well. We also reviewed shapes, colors, and numbers 1-10. We are looking forward to October. There are lots of upcoming events and activities planned for this upcoming month. We plan to explore the insides of a pumpkin and show your child how to cook the seeds and use them for art projects.. We also have Halloween coming up! There will be a costume party and pumpkin competition! These are events the children love year after year and we cannot wait to share in this experience this

year!

Froggie News

Hello parents, September was filled with community helper activities. The children enjoyed learning about the different jobs and duties the men and woman do and how important they are to

our society. The children got to be little chefs and make meals for The Men's Rotation Shelter. They also learned a very important lesson about helping others and how important that is. In addition, they also made mini pizzas for themselves. We learned about letters Dd , Ee, Ff, and Hh, numbers 4-7, and the fall season too.
