

Good Samaritan September 2022 News

Welcome Back

Welcome everyone to the new school year. We are all very excited to be here. Please take a moment and say hello to the new faces that you see. Thank you to all the teachers for all their hard work on their rooms, during in-service days. We will be allowing our parents back into our classrooms after back-to-school night. Please remember to respect a shared environment and everyone's belongings. We will be sending out the classroom codes before October 1st.

Back to School Night

If you were unable to attend Back to School Night, let us know if you have any question about the new school year! Teachers also passed out info packets, if you did not receive one let your child's teacher know.

PCR testing

We will continue with PCR testing, but moving forward it is completely voluntary. Wednesday,

you will still pick up your test kit and drop them off by 10am on Thursday, if you decide to test.

Music Class

Music class will begin the first Monday of September. In this class all preschool children will be involved with music and movement, learning about instruments, and learning fun new songs! We are so excited to bring back this program to Good Sam

Dates to Remember

- Monday, September 5th
School Closed for Labor Day
- Monday, September 5th,
GUSMC BBQ at Ortega Park between 11am-3pm
- October 31st Halloween parade and party @ 11am

Teddy News

September is here! The start of the fall is just around the corner. Our storybooks will focus on a fall theme. We are all wondering what fall looks like? Will the leaves change color? Will the air feel a little more crisp? This is all part of discovery. The colors we will focus on are red, orange, and brown. This will help the Teddys notice the colors changing outside around us.

This is also a friendly reminder to please label all your items, such as water bottles and food containers. Thank you,
Ms. Co and Ms. Hailing

Flower News

For the month of September our themes will be Fall & Apples, Letter A, and the color Red.

In the Flower Room we have many hands-on activities scheduled. Children will be painting once or twice a week. We ask that you please keep extra clothing in their cubbies. Children will wear smocks, but sometimes paint sneaks onto their clothing.

In the flower room, we believe in giving the children choices. Usually in the beginning of the school

year they may not join in the art portion, as they are still adapting to their surroundings. Patience is part of the transitioning process. Please let us know if you have any question, we are here for you. Welcome to our class
Ms. Maria and Ms. Grace

Rainbow News

Hi families, welcome back to the new school year and happy September! Also welcome again to all of the children joining the Rainbow Room. It has been great spending time with your child thus far. We are excited to be a part of their growth and development. This month we will focus on learning and doing fun things with our themes. Rainbow Room themes: Friends, apples, leaves, and sunflowers. We will focus on letters D, E, F, G and H. We will also focus on a color per week. As the weather starts getting cooler, please remember to update your child's extra clothes and take some back home. Ms. Perla and Ms. Esme are happy to answer any questions at pick up or through Brightwheel if

you ever have any. Thank you to the families that attended back to school night. It was very nice to connect and meet you all.

Thank you again.

Ms. Esme and Ms. Perla

Dino News

Welcome to September Dino Families! After a great ending in August of getting to know your little ones, we are getting ready for our first full month of class. We will be starting to go over our letters and numbers and focusing on them one at a time. This month we will also be going over different forms of transportation. We will also be getting a little messy doing a couple of experiments just to switch up their routine here and there during the week. We have started but will keep practicing pencil control and be going over the fall season. Thank you for sharing all about me, the children loved going in front of the class and talking about themselves. Maybe this month we can bring our favorite book and share it with the class during circle time. Thank you, Ms. Carla

Butterfly News

The first week of the new school year has been amazing! I am very happy I get to start the year of with your amazing children. It was very nice to meet all of you at Back to School Night.

In September we have many fun activities planned. We will be focusing on family, friends, classroom rules, and getting comfortable in our classroom environment. I will introduce the class to letters L and F, as a part of our language learning. The children will also focus on Fine Motor Skills such as stamping, scissor practice, and writing with a pencil. We will go over problem solving and the appropriate way to express our feeling here in class.

I am looking forward to an amazing school year with your little ones.

Thank you, Ms. Ploy

Froggie News

Hello parents and welcome to the Froggy Room! August has flown past us and summer has moved along. We are off to a great start this school year! We

started off in August with welcoming everyone to our new classroom, and we talked about ourselves and our families.

As for the month of September, we have many fun activities planned. We will be concentrating on language and motor skills to start. We will start introducing and learning The Fall/Autumn Season, Feelings and Emotions, Things That Go, Nursery Rhymes, and the letters ABCD. If you should have any questions or concerns, please don't hesitate to talk to me. I am looking forward to the new year full of fun

Ms. Lyn
