Hello June and goodbye May! Such a great feeling to finally have summertime around the corner. May was a fun month for the Rainbows as the kids enjoyed working on their Mother's Day gift and activities along with arts and crafts throughout the month.

Thank you to all the mommies that joined us for Mother's Tea. We all had a great time having you with us enjoying yourself on your special day. A big THANKS to all our amazing parents who provided us with delicious breakfast and lunch for the whole week of Teacher Appreciation. Thank you for the flowers and gifts, and for appreciating me for what I do.

This month, our themes are Ocean Animals, Father's Day, Summer and Beach. We will be doing a lot of sensory activities and would like the children to experience lots of touching sand, water and mud. We will also be making sensory bottles and crafts relating to our themes. The school has planned fun activities for the whole summer and the schedule is posted at the lobby entrance.

Father's Day is on Friday the 14th. We welcome all our dads to join their little ones for breakfast.

We're having our year end program also at 5:30pm on the 14th. See you there.

Dino News

Hello Dino Parents,

This last month your children learned about the food groups and where our food comes from. We also discussed how to keep our bodies and minds healthy through exercise, eating meals containing all or most of the food groups, using yoga to strengthen our bodies and calm our minds, and how being a kind person can help keep our bodies and minds in a positive place.

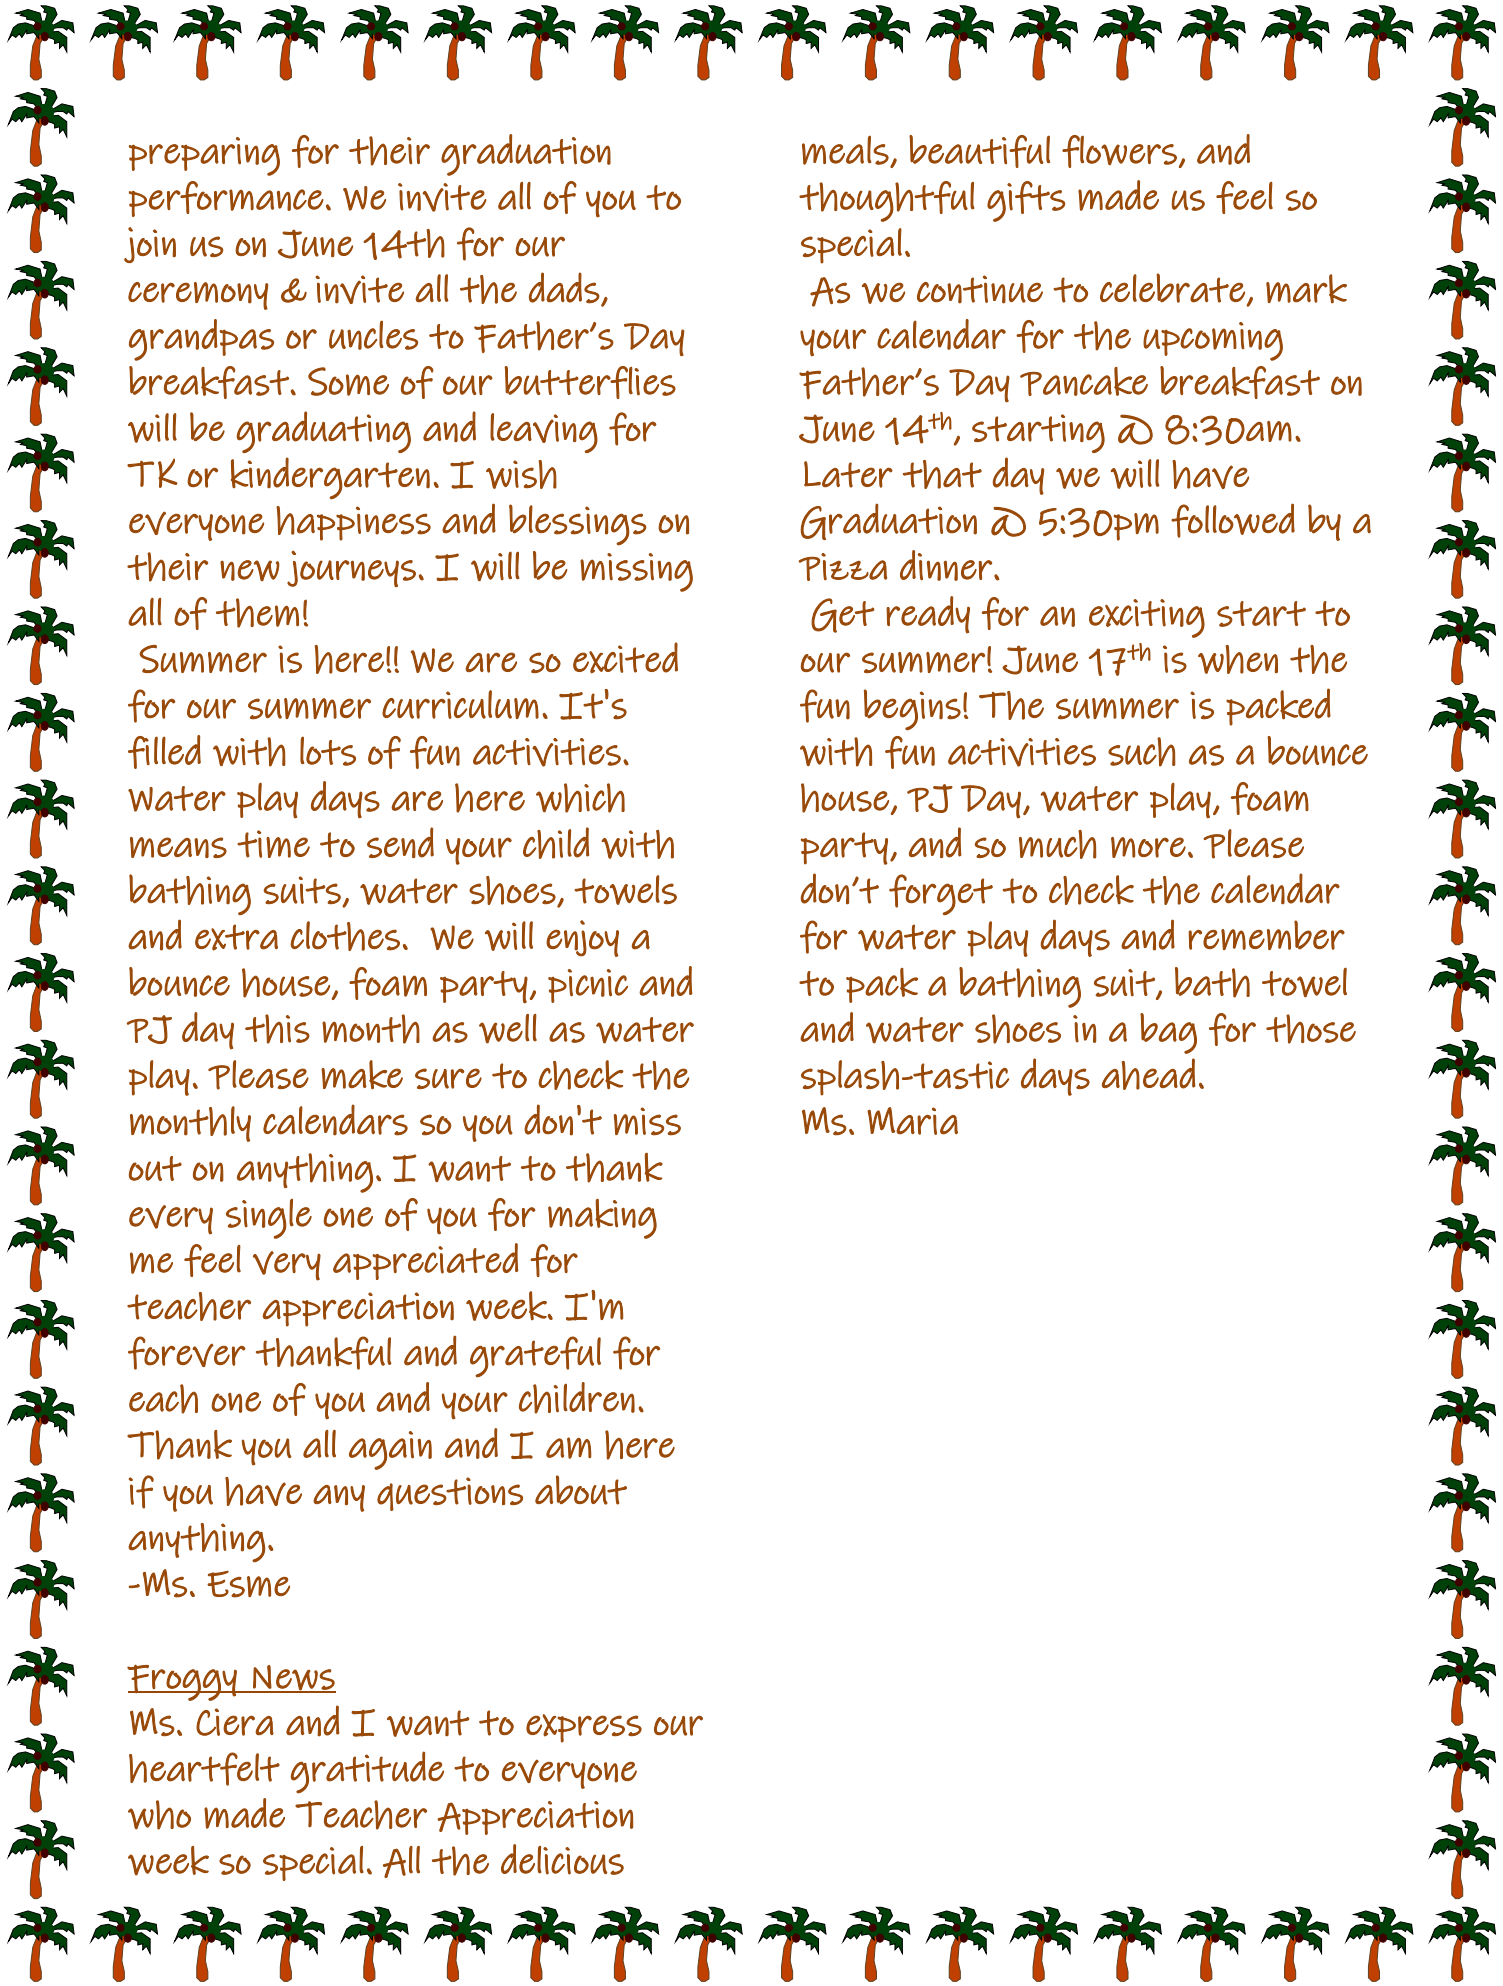

Summer is here! With summer comes hot weather, outside activities, water play, and more. So, please be sure to dress your child accordingly.

If you have not signed a new sunscreen permission form please do so as soon as possible, I have extra in the classroom or you can ask the office. For the month of June, we will review all our letters and numbers, do some fun bubble art, and celebrate Father's Day.

I am excited to see what this summer has to offer for us all!
Ms. Sarah
